POLICYHOLDER DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE

The Terrorism Risk Insurance Act of 2002 establishes a program within the Department of the Treasury under which the federal government shares, with the insurance industry, the risk of loss from future terrorist attacks. The Act applies when the Secretary of the Treasury certifies that an event meets the definition of an act of terrorism. The Act provides that to be certified an act of terrorism the event must cause losses of at least five million dollars and must have been committed by an individual or individuals acting on behalf of any foreign person or foreign interest to coerce the government or population of the United States.

Coverage for acts of terrorism is already included in your current bond. In accordance with the federal Terrorism Risk Insurance Act of 2002, we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to the coverage for terrorist acts certified under that Act.

DISCLOSURE OF PREMIUM

Your current bond includes coverage for terrorist acts certified under the Act for no additional premium.

DISCLOSURE OF FEDERAL PARTICIPATION IN PAYMENT OF TERRORISM LOSSES

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals 90% of that portion of the amount of such insured losses that exceeds the applicable insurer retention.
