3. Pursuant to these findings, and acting to eliminate blight and protect public health and safety, the Enforcement Authority issued notice of the condition of the above listed property, and required that the above listed property be repaired or demolished, pursuant to I.C. 36-7-9-5.
4. This Notice to Repair or Demolish complied with I.C. 36-7-9-5 and contained the required information including in part, the name of the person to whom the ordered was issued, a legal description and common address of the unsafe premises, the action requested on the unsafe property, the time frame permitted for compliance and notice of the time, date and place of a scheduled hearing before the Hammond Board of Public Works and Safety.
5. Service was made upon all parties possessing a known or recorded fee interest, life estate interest, substantial property interest, or equitable interest in the above listed property, as determined from information maintained by the Lake County Recorder.

NOW THEREFORE, it is the finding and decision of the Hammond Board of Public Works and Safety to AFFIRM the Notice and Order to Repair and Demolish issued by the Enforcement Authority on the above named unsafe building.
