7. A hearing on the Notice and Order to Repair or Demolish was set before the Hammond Board of Public Works, pursuant to I.C. 36-7-9-7 on Thursday, June 12, 2014 at 9:00 a.m., and was continued at the request of the owner to August 28, 2104 and again to November 20, 2014 and was conducted on that date by the hearing authority at a

public meeting.

8. Property owners entered into a written agreement to rehabilitate but did not make any repairs to the property under that agreement.
9. The property listed above was not substantially repaired nor demolished by the property owner prior to the scheduled hearing and the Notice and Order to Repair or Demolish issued by the Hammond Inspections Department proposes demolition of the unsafe property above, and that recommendation is reasonably related to the condition of the property, the failure of the owners of the property to remedy the condition, and given the nature and use of nearby properties (36-7-9-5).
10. Demolition of the unsafe property is necessary and reasonable in relation to the present condition of the property, which requires services of the government in excess of ordinary property, and which creates a negative effect on property values, as well as affects the quality of life, and use, of the surrounding area in the City of Hammond.

NOW THEREFORE, it is the finding and decision of the Hammond Board of Public Works and Safety to AFFIRM the Notice and Order to Repair and Demolish issued by the Enforcement Authority on the above named unsafe building. This affirmation shall be an ORDER to demolish the structure which shall be recorded in the office of the Recorder of Lake County, Indiana, with demolition of the property to subsequently follow. Pursuant to I. C. 36-7-9-12, the costs of the demolition, and any other action required by this Order, as well as the processing expenses incurred by the enforcement authority to obtain reliable information about the identity and location of persons with a substantial interest in the property, as well as the cost of notice of orders and hearings shall constitute a lien on the property. The Board now finds processing expenses incurred in the amount of \$429.13.
