(13) that in any foreclosure action or other proper proceeding the court shall, at the request of the Mortgagee, appoint a receiver for the property; (14) that if the indebtedness is subject to a guarantee from Farm Service Agency, the Mortgagors shall be in default under this mortgage, the above note(s) and other loan documents should any loan proceeds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity, as further explained in 7 CFR Part 1940, Subpart G, Exhibit M; prior to loss of the exemption from the highly erodible land conservation restrictions found in 7 CFR Part 12, Mortgagors must demonstrate that Mortgagors are actively applying an approved conservation plan on that land which has been determined to be highly erodible prior to 1990 or two years after the Soil Conservation Service has completed a soil survey for that land, whichever is later; and Mortgagors must demonstrate that any production of an agricultural commodity on highly erodible land will be done in compliance with an approved Soil Conservation Service conservation system; (15) that the omission of the Mortgagee to exercise its option upon any default as aforesaid, or to exercise any other option or right hereunder, shall not preclude it from the exercise thereof at any subsequent time or for any subsequent default; (16) that upon payment of all sums secured by this Mortgage, Mortgagee shall release this Mortgage without any charge paid to Mortgagee. Unless prohibited by applicable law, Mortgagor shall pay any actual recordation costs as prescribed by law to public officials for release of this
