RECORDER

CROSS-REFERENCE: In accordance with Indiana Code § 32-23-2-8(a), the easement described below burdens the real estate acquired by Successor Trustee's Deed dated April 22, 2015, and recorded in the Office of the Recorder for Lake County, Indiana, as Document No. 2015 024613, on April 23, 2015.

GAS FACILITIES EASEMENT

NIPSCO EASEMENT # 40325-2

Know All Men, That ~~Matthew R. Van Deursen and Katie L. Van Deursen, Husband and Wife~~, herein called the "grantor(s)", in consideration of the sum of one dollar (\$1.00) and other valuable considerations in hand paid to the grantors, hereby grant to Northern Indiana Public Service Company, an Indiana corporation, and to its successors and assigns, a right-of-way to lay, install, maintain, operate, repair, replace and renew gas mains and a line or lines of pipe for the transportation and distribution of gas to the public in general, with all necessary and convenient equipment, facilities, service pipes, lines and connections therefor, and to operate by means thereof a system for such transportation and distribution of gas, to be used for light, heat, power and other purposes, in, upon, along and over a strip of land situated in Section 29, Township 33N, Range 8W of the second Principal Meridian, in the county of Lake, State of Indiana, described as follows:

See "Exhibit A" for legal description and "Exhibit B" for sketch or drawing attached hereto and made a part thereof.

Access to the above described strip of land over the adjoining lands of the grantors is hereby granted. Any pipe line, or lines, shall, at the time of the construction thereof, be buried to such depth as shall not interfere with the cultivation of said premises. Grantee shall replace in a good and workmanlike manner all tiles cut in the construction of its line or lines hereunder. Any damage to the crops, fences or improvements of the grantors on said strip of land, or on the lands of the grantors adjoining said strip of land, done by the grantee in the installation, maintenance, operation, repair replacement or renewal of said line or lines of pipe and the equipment and facilities connected therewith, shall be promptly paid for by the grantee. The grantee may cut or trim trees, bushes and saplings growing upon or extending over said strip of land so far as may be reasonably necessary in the installation, maintenance, operation, repair, replacement or renewal of said line or lines of pipe and the equipment and facilities connected therewith. Patrolling said line or lines of pipe on foot shall not constitute grounds for a claim for crop damage.

The grantors reserve the use of said strip of land not inconsistent herewith, but no buildings

or structures shall be erected or placed on said strip of land by grantors. Grantor will not change the depth of cover or conduct grading operations within said strip of land.

The rights herein granted may be assigned in whole or in part.

The grantee shall and will indemnify and save the grantors harmless from and against any and all damage, injuries, losses, claims, demands or costs proximately caused by the fault, culpability, or negligence of the grantee in the installation, maintenance, operation, repair, replacement or renewal of said line or lines of pipe, and the equipment and facilities connected therewith, over and across said strip of land.

The undersigned grantors hereby covenant that they are the owners in fee simple of said strip of land, are lawfully seized thereof, and have good right to grant and convey said easement herein, and guarantee the quiet possession thereof, that the said strip of land is free from all encumbrances, and that the grantors will warrant and defend the title to said easement against all lawful claims.

These presents shall be binding on the heirs, executors, administrators, grantees and assigns of the grantors, and upon the grantee, its successors and assigns.

IN WITNESS WHEREOF, the Grantor has duly executed this instrument this 11th day of March, 2016.
