The defendant, Gregory Nash, appears with his Attorney Marc Laterzo. The State of Indiana appears by Deputy Prosecuting Attorney Sean Mullins. The Court accepts the plea of guilty tendered on February 9, 2016 and enters judgment for the crime of Count II, Receiving Stolen Auto Parts, Level 6 felony. The Court considers the written presentence report and sentences the defendant to a term of eighteen (18) months in the Department of Correction. The court suspends said sentence. The defendant is placed on probation for a term of eighteen (18) months. As a condition of probation, the defendant is ordered to pay probation user's fees as assessed. As an additional condition of probation, the defendant is ordered to pay the remainder of the court costs.

As a further condition of this sentence, restitution in the amount of \$2,500 to Calhoun Auto Sales, LLC, shall be entered as a judgment against the defendant and in favor of the victim in the judgment docket of the Clerk of this Court.

If the defendant completes all aspects of this sentence, he may petition the Court for misdemeanor treatment.

The reasons for the imposition of the sentence are as follows: the nature and circumstances of the crime committed, the character of the defendant, the defendant's prior criminal record and the mandatory nature of the plea agreement. The court finds the agreed term to be reasonable in light of these considerations. The Court finds that given the nature of the offense and the character of the defendant, the sentence imposed is appropriate and proper.

The defendant is to receive credit for 33 days spent in confinement as a result of this charge, plus 33 days of good time credit as provided by law, for a total of 66 days credit. The defendant waives the reading of general rules of the probation
