CLERK LAKE SUPERIOR COURT

11-14-17

The State of Indiana appears by Deputy Prosecuting Attorney Nadia Wardrip. The defendant, Deandre M. Gardner, appears in person and by Attorney Kerry Connor. The defendant has entered a plea of guilty, pursuant to a plea agreement, which is accepted on this date, the Court now enters judgment of conviction for the offenses of Count I, Armed Robbery, a Level 3 Felony in Cause No. 45G02-1508-F3-00036; and Count III, Attempted Armed Robbery, a Level 3 Felony in Cause No. 45G02-1509-F1-00006.

**SENTENCING STATEMENT:**

Having considered the written presentence investigation report, the contents of which the Court incorporates by reference into this order, as well as Criteria for Sentencing as set forth in I.C. 35-38-1-7.1, the Court enters the following findings and sentence:

**FINDINGS:**

**Aggravating Circumstances:**

1. The defendant has a history of six (6) juvenile adjudications; two (2) of which involve possession of a firearm.
2. The Court finds that the nature and circumstances of the crime to be a significant aggravating factor in that the defendant committed multiple criminal offenses involving robbery and attempted robbery of separate victims. Also, the defendant resorted to guile and subterfuge to effectuate these crimes. Defendant therefore had time to plan, prepare and reflect before committing the crimes.

**Mitigating Circumstances:**

1. The defendant is likely to respond affirmatively to some component of probation.
2. The defendant admitted his guilt by way of plea agreement, thus saving the Court and the tax payers of this county the time and expense of a trial.
3. The defendant was a teenager at the time of the commission of the offense.
4. The defendant has completed the 12-Step Conquering Chemical Dependency while incarcerated.

After presentation of evidence and hearing argument, the Court finds that the aggravating factors equally balance the mitigating factors.
