2. I hereby incorporate by reference all the powers granted an Attorney-in-Fact under IC § 30-5-5-2 to 30-5-5-19 as they currently exist and as they may be amended in the future. However, I am specifically excluding IC § 30-5-5-16 conferring general authority with respect to health care powers and IC § 30-5-5-17 conferring general authority with respect to withdrawing or withholding of medical treatment on behalf of the principal from this power of attorney.

3. I grant to my acting Power of Attorney the rights granted under the Internal Revenue Service Power of Attorney and Declaration Representative Form 2848 and the Indiana Department of Revenue Power of Attorney (POA-1), to have access to all of my files and records with the Internal Revenue Service Department, and the Indiana Department of Revenue, to secure copies of all prior income tax returns filed by me as well as gift tax returns and corporate tax returns filed by me. ~~PROVISIONS APPLICABLE TO ARTICLE III~~
NOT OFFICIAL**

1. With respect to Article III (general asset and financial powers), it is to be understood that the authority I have conferred to my Attorney-in-Fact in no way is intended to limit or restrict my own authority or decision making capabilities covering such powers and authority as long as I remain mentally competent.

2. In addition, my Attorney-in-Fact is specifically empowered to delegate to any third party any of the powers provided herein.

3. Furthermore, this power of attorney and the authority I have conferred and specified under Article III above shall remain in full force and effect until such time as I may hereinafter revoke the same in writing, provided further, that the same shall not be affected by my subsequent disability, incompetence, or lapse of time.

4. This power of attorney shall not be affected by my subsequent disability, incompetence or lapse of time.

5. Finally, no attorney-in-fact appointed under this document shall have the power to amend or revoke any trusts, wills or other estate planning documents I have created or to take any steps which will frustrate or defeat my intentions as set forth in those documents. This limitation shall not limit my attorney-in-fact's power to make gifts consistent with my estate planning documents.

**ARTICLE V
THIRD-PARTY RELIANCE**

No person who relies in good faith upon any representations by or authority of my Attorney-in-Fact, shall be liable to me, my estate, my heirs or assigns for recognizing such representations or authority.

ARTICLE VI
NOMINATION OF GUARDIAN

In the event a judicial proceeding is brought to establish a guardianship over my person or property, I hereby nominate my Attorney-in-Fact, hereinabove designated and appointed, to be my guardian.

ARTICLE VII
EFFECTIVE UPON INCAPACITY

the Lake County Recorder!

This power of attorney shall NOT become effective until a physician familiar with my then current condition states in writing that due to my mental or physical disability I am no longer able to personally handle my financial and business affairs or take care of my personal needs. I direct the named Attorney-in-Fact to secure a medical statement from my doctor with regard to my condition prior to assuming authority under this document. This limitation as to the effective date of this Power of Attorney being restricted to my mental or physical disability, does not restrict or limit my authority to request that my Attorney-in-Fact proceed under this Power of Attorney and assume their designated responsibilities as set out in this document upon my request prior to any mental incapacity or physical disability, but rather as a matter of convenience on my behalf.

ARTICLE VIII

HEALTHCARE INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996

This provision clarifies the authority with respect to health care powers and religious tenets under Indiana Code § 30-5-5-16. In addition, my attorney in fact is authorized to complete any HIPAA compliant authorization required for release of protected health information, and any health care provider, including but not limited to physicians, medical facilities, laboratories, hospitals, nursing homes or any long term care facility, clinics, psychologists, psychiatrists and any related psychological or psychiatric testing or treating facility or hospital who receives such an authorization for release of information may rely on this authorization to disclose whatever protected health information may be requested by my attorney in fact, including but not limited to information regarding my physical, mental or behavioral care and treatment, laboratory results including testing for dangerous communicable disease such as HIV and AIDS virus, x-rays or other imaging studies, other diagnostic test reports and any other information as may be requested by my attorney in fact. My attorney in fact may use and disclose such protected health information for any stated reason related to my care, including but not limited to evaluation of my competence, arranging for the provision of medical or psychiatric care, medication and prescriptions, insurance issues, evaluation of my care, litigation on my behalf, arranging for my care and custody, and referral requests. I understand that this authorization is revocable at any time and that my revocation must be in writing and sent to my health care providers named herein and that any revocation will not apply to any information that has already been released in response to this authorization. Provided however, that my disability, incompetence or incapacity shall not revoke this HIPAA authorization. Further, I understand and intend that this HIPAA authorization shall also be revoked in the event of my revocation of this power of attorney.

ARTICLE IX
MEDICAID PLANNING

Additionally, gifts may be made to facilitate my qualifying for the receipt of government benefits for my long term health care and nursing home needs, (i.e. old age pension or medicaid benefits). Any gifts made pursuant to this paragraph are to be made unconditionally to my adult children or to other adults who are part of my family as determined in my Attorney-in-Fact's sole discretion. Such gifts shall be irrevocable, and my Attorney-in-Fact is authorized to make such gifts so long as my long term care is reasonably provided for by my Attorney-in-Fact from those assets subject to this Power, or otherwise during the time period I would be disqualified from receiving long term care and/or medical assistance under the State of Indiana "Medicaid Program" and the gifts are to those individuals who generally would take my assets pursuant to my then existing testamentary plan. Any gifts may be made outright or in trust and may include both real and personal property. Any gifts made pursuant to this paragraph by my Attorney-in-Fact may also include a gift to my Attorney-in-Fact so long as (1) said gift is part of my established estate plan, if I have one, or pursuant to the law of intestate succession if I were deceased; and (2) it is made pro rata among all my anticipated heirs as provided for in my established estate plan or pursuant to the laws of intestate succession as may be appropriate. No limit as to the form or size of any gift is hereby imposed. Note: The power to make a gift is to be granted hereby only as to such powers stated above and only for those gift purposes as stated above.
