[BP Pipelines (North America) Inc., a Maine Corporation, having an office at 30 South Wacker Drive, Chicago, Illinois 60606 (“Grantor”)], for and in consideration of the sum of TEN AND NO/DOLLARS (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by each of Grantor and Grantee, hereby contributes, conveys and assigns to **BP One Pipeline Company LLC**, a Delaware limited liability company, having its principal office at c/o BP Pipelines (North America) Inc., 30 South Wacker Drive, Chicago, Illinois 60606 (“Grantee”), without any warranties, express or implied, a partial assignment of Grantor’s rights, title and interests in and to the real property, or leases, easements, rights-of-way, franchises, permits, licenses, and other rights to, or interests in, real property, described on Schedule A hereto, to the extent that such interests relate to the ownership, operation, maintenance and repair of the Pipeline Assets (as defined in the Contribution Agreement, referenced below) being contributed, conveyed and assigned by Grantor to Grantee and to the extent Grantor is legally able to make such contribution, conveyance and assignment and subject to the terms and conditions of this Assignment and Conveyance Agreement (collectively, the “Assigned Rights”). Grantee does hereby accept such rights, title and interests in their present “AS-IS, WHERE IS, WITH ALL FAULTS” condition, and does hereby assume all of Grantor’s duties and obligations under or relating to such leases, easements, rights-of-way, franchises, permits, licenses and other rights to, or interests in, real property, on the terms and conditions of this Assignment and Conveyance Agreement, to the extent that such obligations pertain to the Pipeline Assets being contributed, conveyed and assigned by Grantor to Grantee.

Grantor expressly reserves concurrent interests in said real property, or leases, easements, rights-of-way, franchises, permits, licenses and other rights as Excluded Assets (as defined in the Contribution Agreement). Grantor and Grantee intend that each shall have the full use and enjoyment of all of said real property, or leases, easements, rights-of-way, franchises, permits, licenses, and other rights insofar as such rights pertain to each other’s assets.

The Assigned Rights, and the contribution, conveyance and assignment of the Assigned Rights under this Assignment and Conveyance Agreement, are subject to (a) the terms and conditions of the leases, easements, rights-of-way, franchises, permits, licenses and other rights to, or interests in, real property listed on said Schedule A, and (b) all easements, covenants, conditions, restrictions, reservations and other matters of record affecting, encumbering or relating to the Assigned Rights.

From time to time, as and when requested by Grantor, Grantee shall execute and deliver, or cause to be executed and delivered, all such documents and instruments and shall take or cause to be taken, all such further or other actions, as Grantor or its successors and permitted assigns may reasonably deem necessary or desirable in order that Grantee can more effectively accept and assume the Assigned Rights contributed, conveyed and assigned by this Assignment and Conveyance Agreement.

In the event of a conflict between the terms and provisions of this Assignment and Conveyance Agreement and the terms and provisions of the Contribution Agreement, the Contribution Agreement shall govern and control.

This Assignment and Conveyance Agreement shall be binding upon and inure to the benefit of the Grantor and Grantee and their respective successors and permitted assigns.

This Assignment and Conveyance Agreement shall be construed in accordance with, and governed by, the laws of the State of [Location of Interests], excluding any choice or conflict of laws rules that may direct the application of the laws of another jurisdiction. All actions or proceedings between Grantor and Grantee related to or arising under this Assignment and Conveyance Agreement shall be litigated or resolved in accordance with Section 5.6 of the Contribution Agreement, which is incorporated by reference herein *mutatis mutandis*.

This Assignment and Conveyance Agreement may be executed in any number of counterparts (including by means of email of a portable document format (.pdf) signature page) with the same effect as if each of Grantor and Grantee had signed the same document. All counterparts shall be construed together and shall constitute one and the same instrument.

Whenever possible, each provision of this Assignment and Conveyance Agreement shall be interpreted in such manner as to be valid and effective under applicable law, but if any provision of this Assignment and Conveyance Agreement or the application of any such provision are held by any court of competent jurisdiction to contravene, or to be invalid or unenforceable under, the laws of any political body having jurisdiction over the subject matter hereof, such contravention, invalidity or unenforceability shall not invalidate the entire Assignment and Conveyance Agreement or any other provision hereof. Instead, this Assignment and Conveyance Agreement shall be construed as if it did not contain the particular provision or provisions held to be in contravention, invalid or unenforceable and each of Grantor and Grantee shall negotiate in good faith to modify this Assignment and Conveyance Agreement so as to give effect to the original intention of each of Grantor and Grantee as closely as possible in a mutually acceptable manner in order that the transactions hereby be consummated as originally contemplated by this Assignment and Conveyance Agreement at the time of execution of this Assignment and Conveyance Agreement to the greatest extent possible.
