1. The Affiant, Kenneth Butler, was natural born a free Sovereign National in Indiana, which is one of the sovereign States of the Union of several States joined together to comprise the confederation known as the united States of America. He is, therefore, a "nonresident alien" individual with respect the "United States", which entity obtains its exclusive legislative authority and jurisdiction from Article 1, Section 8, Clause 17 and Article 4, Section 3, Clause 2 of the Constitution for the united States of America. The Affiant's parents were Sovereigns also, born in sovereign States of the Union. As the progeny of Sovereign people, the Affiant was born "... one of the sovereign people A constituent member of the sovereignty synonymous with the people." Scott vs Sanford, 19 How. 404. The Affiant is alien to so-called 14th Amendment "United States" citizenship, and also nonresident to so-called 14th Amendment State residency, and therefore he is a "nonresident alien" with respect to both. As a Sovereign whose status originated in Indiana by birth, and who has remained intact in Indiana since the year 1979, the Affiant is also a foreigner (alien) with respect to the other 49 States of the Union and with respect to the "United States". As a consequence of his birth, the Affiant is an "American Inhabitant". And further

2. The Affiant, to the best of his informed knowledge, has not entered into any valid agreements of "voluntary servitude". And further

3. The Affiant is a "NONRESIDENT ALIEN" with respect to the "United States", as that term is defined and used within the Internal Revenue Code (Title 26, United State Code) and/or Title 27 and the rules and regulations promulgated thereunder as follows:

The Internal Revenue Code (Title 26, United State Code) and associated federal regulations, clearly and thoroughly make provision for Americans born and living within one of the 50 Sovereign States of America, to wit:

Section 1.871-4 Proof of residence of aliens.

- (a) Rules of evidence. The following rules of evidence shall govern in determining whether or not an alien

within the United States has acquired residence therein for purposes of the income tax.

- (b) Nonresidence presumed. An alien by reason of his alienage, is presumed to be a nonresident alien.

[26 CFR 1.871-4]

And further

4. The Affiant was not born or naturalized in the "United States" consequently he is not a "citizen of the United States" nor a "United States citizen", as those terms are defined and used within the Internal Revenue Code (26 U.S.C.) and/or Title 27 and the rules and regulations promulgated thereunder; and, therefore, he is not subject to the limited, exclusive territorial or political jurisdiction and authority of the "United States" as defined.

The "United States" is definitive and specific when it defines one of its citizens, as follows:

Section 1.1-1

- (c) Who is a citizen. Every person born or naturalized in the United States and subject to its jurisdiction is a citizen.

[26 CFR 1.1-1(c)]

And further

5. The Affiant is not a "citizen of the United States" nor a "United States citizen living abroad", as those phrases are defined and used in the Internal Revenue Code (26 U.S.C.) and/or Title 27 and the rules and regulations promulgated thereunder.

And further -

6. The Affiant is not a "resident alien residing within the geographical boundaries of the United States", as that phrase is defined and used in the Internal Revenue Code (26 U.S.C.) and/or Title 27 and the rules and regulations promulgated

NOT AN OFFICIAL DOCUMENT

thereunder. And further

7. The Affiant is not a "United States person", a "domestic corporation", "estate", "trust", "fiduciary" or "partnership" as those terms are defined and used within the Internal Revenue Code (26 U.S.C.) and/or Title 27 and the rules and regulations promulgated thereunder. And further

8. The Affiant is not an "officer", "employee" or "elected official" of the "United States", of a "State" or of any political subdivision thereof, nor of the District of Columbia, nor of any agency or instrumentality of one or more of the foregoing, nor an "officer" of a "United States corporation", as those terms are defined and used within the Internal Revenue Code (26 U.S.C.) and/or Title 27, and the rules and regulations promulgated thereunder. And further

9. The Affiant receives no "income" or "wages with respect to employment" from any sources within the territorial jurisdiction of the "United States" and does not have an "office or other fixed place of business" within the "United States" from which the Affiant derives any "income" or "wages" as such, as those terms and phrases are used and defined within the Internal Revenue Code (26 U.S.C.) and/or Title 27 and the rules and regulations promulgated thereunder. And further

10. The Affiant has never engaged in the conduct of a "trade or business" within the "United States", nor does the Affiant receive any income or other remuneration effectively connected with the conduct of a "trade or business" within the "United States", as those terms are defined and used within the Internal Revenue Code (26 U.S.C.) and/or Title 27 and the rules and regulations promulgated thereunder. And further

11. The Affiant receives no "income", "wages", "self-employment income" or "other remuneration" from sources within the "United States", as those terms are defined and used in the Internal Revenue Code (26 U.S.C.) and/or Title 27 and the rules and regulations promulgated thereunder. All remuneration paid to the Affiant is for services rendered outside (without) the exclusive territorial, political and legislative jurisdiction and authority of the "United States". And further

NOT AN OFFICIAL DOCUMENT

12. The Affiant has never had an "office" or "place of business" within the "United States", as those terms are defined and used in the Internal Revenue Code (26 U.S.C.) and/or Title 27 and the rules and regulations promulgated thereunder. And further

13. The Affiant has never been a "United States employer", nor "employer", nor "employee" which also includes but is not limited to an "employee" and/or "employer" for a "United States" "household", and/or "agricultural" activity, as those terms are defined and used in the Internal Revenue Code (26 U.S.C.) and/or Title 27 and the rules and regulations promulgated thereunder. And further

14. The Affiant has never been involved in any "commerce" within the territorial jurisdiction of the "United States" which also includes but is not limited to "alcohol", "tobacco" and "firearms" and Title 26, Subtitle D and E excises and privileged occupations, as those terms are defined and used in the Internal Revenue Code (26 U.S.C.) and/or Title 27 and the rules and regulations promulgated thereunder. And further

15. The Affiant has never been a "United States" "withholding agent" as those terms are defined and used in the Internal Revenue Code (26 U.S.C.) and/or Title 27 and the rules and regulations promulgated thereunder. And further

16. The Affiant had no liability for any type, kind or class of Federal Income Tax in past years, and was and is entitled to a full and complete refund of any amounts withheld, because any liability asserted and amounts withheld were premised upon a mutual mistake of fact regarding the Affiant's status. The Affiant has never knowingly, intentionally, and voluntarily changed his Citizenship status nor has he ever knowingly, intentionally, and voluntarily elected to be treated as a "resident" of the "United States". And further

17. The Affiant, to the best of his current knowledge, owes no "tax" of any type, class or kind to the "United States" as those terms are defined and used in the Internal Revenue Code (26 U.S.C.) and/or Title 27 and the rules and regulations promulgated thereunder. And further

NOT AN OFFICIAL DOCUMENT

18. The Affiant anticipates no liability for any type, class or kind of federal income tax in the current year, because the Affiant does not intend to reside in the "United States", he does not intend to be treated as either a "resident" or a "citizen" of the "United States", he is not and does not intend to be involved in the conduct of any "trade or business" within the "United States" or receive any "income" or "wages" from sources within the "United States", as those terms are defined and used in the Internal Revenue Code (26 U.S.C.) and/or Title 27 and the rules and regulations promulgated thereunder. And further

19. The Affiant, by means of knowingly intelligent acts done with sufficient awareness of the relevant circumstances and consequences (*Brady vs U.S.*, 397 U.S. 742, 748 (1970)) never agreed or consented to be given a federal Social Security Number (SSN), same said as to a federal Employee Identification Number (EIN) and, therefore, waives and releases from liability the "United States" and any State of the Union of 50 States, for any present or future benefits that the Affiant may be entitled to claim under the Old-Age Survivors and the Disability Insurance Act, and/or the Federal Unemployment Tax Act. Additionally, your Affiant makes no claim to any present or future benefits under any of the foregoing; and

20. Therefore, I, Kenneth Butler, am a natural born free American National inhabitant and, as such, a Sovereign National/Principal inhabiting the Indiana Republic. Therefore, I am not "within the United States" but lawfully I am "without the United States" (per Title 28, U.S.C., Section 1746, Subsection 1), and therefore I have no standing capacity to sign any tax form which displays the perjury clause pursuant to Title 28, Section 1746, Subsection 2. And further

PLEASE NOTE WELL: At no time will the Affiant construe any of the foregoing terms defined within the Internal Revenue Code, Title 26, United State Code, or within any of the other United State Code, in a metaphorical sense. When terms are not words of art and are explicitly defined within the Code and/or within a Statute, the Affiant relies at all times upon the clear language of the terms as they are defined therein, NO MORE and NO LESS:

NOT AN OFFICIAL DOCUMENT

... When aid to construction of the meaning of words, as used in the statute, is available, there certainly can be no 'rule of law' which forbids its use, however clear the words may appear on 'superficial examination'

AFFIDAVIT OF TRUTH

Be it known to all courts, governments, and other parties, that I, Kenneth Thompson, am a natural, freeborn Sovereign, without subjects, I am neither subject to any entity anywhere, nor is any entities subject to me. I neither dominate anyone, nor am I dominated.

My authority for this statement is the same as it is for all free Sovereigns everywhere, the age-old, timeless, and universal respect for the intrinsic rights, property, freedoms, and responsibilities of the Sovereign Individual.

I am not a "person" when such terms are defined as statues of the United States or statues of the several states when such definition includes artificial entities. I refuse to be treated as a federally or state created entity which is only capable of exercising certain rights, privileges, or immunities as specifically granted by federal or state governments.

I voluntarily choose to comply with the man-made laws with serve to bring harmony to society, but no such laws, nor their enforcers, have any authority over me. I am not in any jurisdiction, for I am not a subject status.

Consistent with the eternal tradition of the natural common law, unless I have harmed or violated someone or their property, I have committed no crime, and am therefore not subject to

NOT AN OFFICIAL DOCUMENT

any penalty. I am in accordance with the following US Supreme Court case:

"The individual may stand upon his constitutional rights as a citizen. He is entitled to carry on his private business in his own way. His power to contract is unlimited. He owes no such duty [to submit his books and papers for an examination] to the State, since receives nothing therefrom, beyond the protection of his life and property. His rights are such as existed by the law of the land [Common Law] long antecedent to the organization of the State, and can only be taken from her by due process of law, and in accordance with the Constitution. Among his rights are a refusal to incriminate herself, and the immunity of herself and his property from arrest or seizure except under a warrant of the law. He owes nothing to the public so long as he does not trespass upon their rights." **Hale v. Henkel** 201 U.S. 43 at 47 (1905).

Thus, being known to all, that I reserve my natural common law right not to be compelled to perform under any contract that I did not enter into knowingly, voluntarily, and intentionally. And furthermore, I do not accept the liability associated with the compelled and pretended "benefit" of any hidden or unrevealed contract or commercial agreement.

As such, the hidden or unrevealed contract that supposedly created obligations to perform, for persons of subject status, are inapplicable to me, or are null and void. If I have participated in any of the supposed "benefits" associated with these hidden contracts, I have done so under duress, for lack of any other practical alternative. I may have received such "benefits" but I have not accepted them in a manner that binds me to anything.

Any such participation does not constitute "acceptance" in contract law, because of the absence of full disclosure of any valid "offer", and voluntarily consent without misrepresentation or coercion, under common law. Without a valid voluntary offer and acceptance, knowingly entered into by both parties, there is no "meeting of the minds," and therefore no valid contract. Any supposed "contract" is therefore void, *ab initio*.

From my age of consent to the date affixed below, I have never signed a contract knowingly, willingly, intelligently, and voluntarily whereby I have waived any of my natural common law rights, and as such. **Take Notice** that I revoke, rescind, cancel, and make void *ab initio* my signature on any and all contracts, agreements, form, or any instruments which may be to construe in any way to give any agency or department of any federal or state government authority, venue, or jurisdiction over me.

This position is in accordance with the U.S. Supreme Court decision of **Brady vs U.S.**, 379 U.S. 742 at 748 (1970).

"Waives of Constitutional Rights not only must be voluntary, they must be knowingly intelligent acts, done with sufficient awareness of the relevant circumstances and consequences."

Typical examples of each compelled and pretended "benefits" are

- 1. The use of Federal Reserve Notes to discharge my debts.** I have used these only because in America, there is no other widely recognized (past or present) currency. **2. The use of a bank account, with my signature on the bank signature card.** If there is any hidden contract behind the bank signature card, my signature thereon gives no validity to it. The signature is only for verification of identity. I cannot be obligated to fulfill no hidden or unrevealed contract whatsoever, due to the absence of full disclosure and voluntary consent. Likewise, my use of the bank account thereof is due to the absence of a bank not associated with the Federal Reserve System. In general, people have been prevented from issuing their own currencies, and such prevention is in violation of the United States Constitution. Were there an alternative, I would be happy to use it. To not use any banking at all and is impossible or very difficult, as everyone knows, in today's marketplace.
- 3. The use of a Social Security number.** The number normally assigned to persons of subject status, I use exceptionally, under duress, only because of the extreme inconvenience of operating without one in today's marketplace, where it is requested by banks, employers, lenders, and many other government agencies and businesses. My reason for using it is not because I wish to participate in the Social Security system, as I don't wish to participate. Let it be known that I issued a social security number assigned to me for information only.
- 4. The use of a driver's license.** As a free Sovereign, there is no legal requirement for me to have such a license for traveling in my car. Technically, the unrevealed legal purpose of driver's license is commercial in nature. Since I don't carry a passenger for hire, there is no law requiring me to have a license to travel for my own pleasure and that of my family and friends. However, because of the lack of education of police officers on this matter, should I be stopped for any reason and found to be without a license, it is likely I would be ticketed and fined or obligated to appear in court. Therefore, under the duress I carry license to avoid extreme inconvenience and legal violent intentions.
- 5. State plates on my car.** Similarity, even though technically, my car does not fit the legal definition of a "motor vehicle", which is used for commercial purposes, nevertheless, I have registered it with the state and carry the state plates on it, because to have any other place or no place at all, causes me to run the risk of police officers arresting and extreme inconvenience with legal violent and intent.
- 6. Past tax returns filed.** Any tax returns I have filed in the past, were filed due to the dishonest atmosphere of fear and intimidation created by the Internal Revenue Service (IRS), and the local assessors' office, not because there is any law require me to do so once I discovered that the IRS in the other tax agencies have been misinforming the public, I have felt it is my responsible duty to society to terminate my voluntary participation. Because such returns were filed under Threat, Duress, and Coercion (TDC), and no two-way contract was ever signed with full disclosure, there is nothing in any past filing of returns or payments that created any valid contract. Therefore, no legal

NOT AN OFFICIAL DOCUMENT

obligation on my part was ever created.

7. **Birth Certificate.** The fact that a birth certificate was granted to me by a local hospital or government agency when I entered this world, is irrelevant to my Sovereignty. No status, high or low, can be assigned to another person through a piece of paper, without the receptions for knowledge and consent. Therefore, such piece of paper provides date and place information only. It indicates nothing about jurisdiction, nothing about property ownership, nothing about rights, and nothing about subject status. The only documents that can have any legal meaning as it concerns my status in society, or those which I have signed as an adult, with full knowledge and consent, free from misrepresentation or coercion of any kind.
8. **Marriage license.** The acquisition of a marriage license is now being revealed as being necessary only for slaves. The act of a Sovereign such as myself obtaining such a license, through social customs in ignorance of law, has no legal effect in changing my status. This is because any such change in status, if any may be supposed to occur, could happen only through a hidden and unrevealed contract or status. Since no hidden, unrevealed and undisclosed information, if it exists, can be lawfully held to be binding, if it is null and void.
9. **Children in public school.** The attendance of my children is governed supported "public" schools or government control "private" schools does not create any legal tax obligation for me, nor any other legal obligation, because I never signed a contract agreeing to such obligations for the supposed "privilege" of "public" school attendance.

If any of my children have attended government-supported "public", or control "private" schools, such as done under duress and not out of free will. Be it known that I regard "compulsory state education" as a violation of the 13th Amendment to the US Constitution which states it relevant part:

"Neither slavery nor involuntary servitude, except as a punishment for crime whereof the party shall have been duly convicted, shall exist within the United States, or any place such subject to their jurisdiction."

10. **Declaration of citizenship.** Any document I may have ever signed, in which I answered "yes" to the question, "Are you a US citizen?" Cannot be used to compromise my status as a Sovereign, nor obligate me to perform in any manner. This is because without full written disclosure of the definition and consequences of such supposed "citizenship" provided in a document bearing my signature given freely with misrepresentation or coercion, there can be no legal binding contract.

I am not a "United States" citizen subject to this jurisdiction. The United States is an entity created by the United States Constitution with jurisdiction as described on the following pages of this Affidavit. I am not a "resident of" an "inhabitant of", a "franchise of", a "subject of", a "ward of", the "property of", the "chattel of", or "subject to the

NOT AN OFFICIAL DOCUMENT

jurisdiction of any corporate federal government, corporate state government, corporate County government, corporate city government, or corporate Municipal body politic created under the authority of the United States Constitution. I am not subjected to any legislation, department or agency created by such authorities, nor to the jurisdiction of any employees, officers, or agents deriving their authority therefrom. Further, I am not subject of the Administration and Legislation Article IV Courts of the several States, or Article 1 Courts of the United States, or bound by precedents of such courts, deriving their jurisdiction from said authorities. **Take Notice** that I hereby revoke, cancel and make void ab initio any such instruments or any presumed election made by any of the several States or the United States government or any agency or Department thereof, that I am or ever have voluntarily elected to be treated as a United States citizen subject to its jurisdiction or a resident of any territory, possession, instrumentally or enclave under the sovereignty or exclusive jurisdiction of any of the several States or of the United States as defined in the U.S. Constitution Article 1, Section 8, Clause 17 and Article IV, section 3 Clause 2.

- 11. Past voter registration.** Similarly, no obligation to perform in any manner was ever revealed in print, as part of the requirements for the supposed "privilege" to vote for government officials, any such registration on my part cannot be legal evidence of any obligation to perform. Likewise, I have granted NO jurisdiction over me, to any political office. It is my inherent right to vote on election or issues that I feel affect all of society; NOT because I need anyone to rule over me. On the contrary- I have used the voting process only to instruct *my public servants* what a Citizen and Sovereign would like done.
- 12. Use of the 2-letter state code and zip code.** My use of the 2-letter state code and zip code in my "address," which is secretly codified to indicate United States "federal zone" jurisdiction, has no effect whatsoever on my Sovereign status. Simple by receiving or sending "mail" through a quasi-federal messenger service, the postal service, at a location indicated with a 2-letter state code and zip code, cannot place me under federal jurisdiction or obligation. Such a presumption would be ludicrous.

I use these codes only for the purpose of information and making it more efficacious for the U.S. Postal Service to deliver my mail.

- 13. Use of semantics.** There are some immature people with mental imbalances, such as the craving to dominate other people, who masquerade as "government." Just because they altar definitions of words in the law books to their supposed advantage, doesn't mean accept those definitions. The fact that they define the words "person," "address," "mail," "resident," "motor vehicle," "driving," "passenger," "employee," "income," and many others, in ways different from the common usage, so as to be associated with a subject or slave status, means nothing in real life.

Because the courts have become entangled in the game of semantics, be it known to all

NOT AN OFFICIAL DOCUMENT

court and all parties, that if I have ever sign any document or spoken any words on record, using words defined by twists in the law books different from the common usage, there can be no effect whatsoever on my Sovereign status in society thereby, nor can there be created any obligation to perform in any matter, by the mere use of such words. Where the meaning in the common dictionary differs from the meaning in the law dictionary, it is the meaning in common dictionary that prevails, because it is more trustworthy.

Such compelled and supposed "benefits" include, but are not limited to, the aforementioned typical examples. My use of such alleged "benefits" was and is held under the duress only, and is with full reservation of all my common law rights. I have waived none of my in intrinsic rights and freedoms by my use thereof. Furthermore, my use of such compelled "benefits" may be temporary, until better alternatives become available, practical, and widely recognized.

FEDERAL JURISDICTION

It is further relevant to this affidavit that any violation of my rights, Freedom, or property by the United States federal government, or any agents thereof, would be an illegal and unlawful excess, clearly outside the limited boundaries of the federal jurisdiction. My understanding is that the jurisdiction of the US federal government is defined by Article 1, Section 8, Clause 17 of the US Constitution, quoted as follows

"The Congress shall have the power... to exercise exclusive legislation in all cases whatsoever, over such district (NOT EXCEEDING TEN MILES SQUARE) as may, by cession of particular States and the acceptance of Congress, become the seat of the government of the United States, [District of Columbia] and to exercise like authority over all places purchased by the consent of the legislation of the state in which the same shall be, for the Erection of Forts, magazines, Arsenal's, dockyards and other needful Buildings, and to make all laws which shall be necessary and proper for carrying into Execution the foregoing powers..." [emphasis added]

and Article IV, Section 3, Clause 2

"The Congress shall have the power to dispose of and make all needful Rules and Regulations respecting the Territory or other Property belonging to the United States; and nothing in this Constitution shall be so construed as to Prejudice any Claims of the United States, or of any particular State."

The definition of the "United States" being used here, then, is limited to its territories.

NOT AN OFFICIAL DOCUMENT

- 1.) The District of Columbia
- 2.) Commonwealth of Puerto Rico
- 3.) US Virgin Islands
- 4.) Guam
- 5.) American Samoa
- 6.) Northern Mariana Islands
- 7.) Trust Territory of the Pacific Islands
- 8.) Military bases within the several States
- 9.) Federal agencies within the several States

It does not include the several States themselves, as if confirmed by the following cites

We have in our political system a government of the United States and a government of each of the several States. Each one of these governments is distinct from the others, and each has citizens of its own it's allegiance, and who rights, within its jurisdiction, it must protect. The same person may be at the same time a citizen of the United States and a Citizen of a State, but his rights of citizenship under one of these governments will be different from those he has under the other." Slaughter House Case **United States v. Cruikshank**, 92 U.S. 542 (1875).

"THE UNITED STATES GOVERNMENT IS A FOREIGN CORPORATION WITH RESPECT TO A STATE." [emphasis added] **Volume 20, Corpus Juris Sec 1785**: New York re: Merriam 36 N.E. 505 1441, S. Ct. 1973, 41 L.ED. 287

This is further confirmed by the following quote from the Internal Revenue Service,

Federal jurisdiction "includes the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, and American Samoa." Internal Revenue Code Section 312 (e).

In legal terminology, the word "**includes**" means "**is limited to.**"

When referring to this "District" United States, the Internal Revenue Code uses the term "**WITHIN**" the United States. When referring to the several States, the Internal Revenue Code uses the term "**WITHOUT**" the United States.

Dozens, perhaps hundreds, of court cases prove that federal jurisdiction is limited to the few federal territory areas above indicated. For example, in two Supreme Court cases, it was decided.

"The laws of Congress in respect to those matters do not extend into the territorial limits of the

NOT AN OFFICIAL DOCUMENT

states, but have force only in the District of Columbia, and other places that are within the exclusive jurisdiction of the national government," Caha v. United States, 152 U.S., at 215.

" We think a proper examination of this subject will show that the United States never held any municipal sovereignty, jurisdiction, or right of soil in and to the territory, of which Alabama or any of the new States were formed..."

"[B]ecause, The United States has nor ever had no constitutional capacity to exercise municipal jurisdiction sovereignty, or eminent domain, within the limits of a State or elsewhere, except in the cases in which it is expressly granted..."

"Alabama is therefore entitled to the sovereignty and jurisdiction over all the territories within her limits, subject to the common law," Pollard v. Hagan, 44 us 221, 223, 228, 229.

Likewise, Title 18 of the United States code at Sec. 7 specifics stat the "territorial jurisdiction" of the United States extends only outside the boundaries of land belonging to any of the several States.

Therefore, in addition to the fact that no unrevealed federal contract can obligate me to perform in any manner without my fully informed and uncovered consent, likewise, no federal statutes or regulations apply to me or have any jurisdiction over me. I hereby affirm that I do not reside or work in any federal territory of the "District" United States, and that therefore no US federal government statute or regulation have any authority over me.

POWERS AND CONTRACTUAL OBLIGATIONS FOR UNITED STATES AND STATE GOVERNMENT OFFICIALS

All United States and State government officials are hereby put on notice that I expect them to have recorded valid Oaths of Office in accordance with the US Constitution, Article VI:

"The Senate and Representatives before mentioned, and the members of the several State Legislators, and all executive and judicial officer, both of the United States and the several States, shall be bound by oath or affirmation to support this Constitution."

I understand that by their Oath of Office all U.S. and State Government officials are constructional bound by the US Constitution as formulated by its framers, and not as "interpreted," subverted, or corrupted by the US Supreme Court or other courts. According to the VIII Amendment to the U.S. Constitution and the X Amendments

NOT AN OFFICIAL DOCUMENT

to the U.S. Constitution

"The enumeration in the Constitution of certain rights shall be construed to deny or disparage others retained by the people."

"The powers not delegated to the United States by the Constitution, nor prohibited by it to the States, are reserved to the States respectively, or to the people."

Thus, my understanding from these Amendments is that the powers of all U.S. and State government officials are limited to the specifically granted by the U.S. Constitution.

I further understand that any laws, statutes, ordinance, regulations, rules, and procedures contrary to the U.S. Constitution as written by its framers are null and void, as expressed in the Sixteenth American Jurisprudence 2nd edition, Section 177.

The general misconception is that any statute passed by legislators bearing the appearance of law constitutes the law of the land. **The US Constitution is the Supreme Law of the land**, and any statute, to be valid, must be in agreement. It is impossible for both the Constitution and a law violating it to be valid, one must prevail. This is succinctly states as follows:

The general rule is that an unconstitutional statute, though having the form and name of law, is in reality no law, but is wholly void, and ineffective for any purpose, since unconstitutionally dates from the time of its enactment, and not merely from the date of the decision so branding it. **An unconstitutional law, in legal contemplation, is as inoperative as if it had never been passed.** Such a statute leaves the question that it purports to settle just as it would be had the statute not been enacted.

'Since an unconstitutional law is void, the general principles follow that **it imposes no duties, confers no rights, creates no office, bestows no power or authority on anyone, affords no protection, and justifies no acts performed under it.**'

'A void act cannot be legally consistent with a valid one. An unconstitutional law cannot operate to supersede any existing valid law. Indeed, insofar as a statute runs counter to the fundamental law of the land, it is superseded thereby.'

'**No one is bound to obey an unconstitutional law** and no courts are bound to enforce it,' [emphasis added] and as express one again in the U.S. Constitution, Article VI.

"This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land, and the judges in every State shall be bound thereby, anything in the Constitution or laws of any State to the contrary notwithstanding,"

All U.S. and State government officials are therefore hereby put on notice that any violations of their contractual obligations to act in accordance with their U.S. Constitution, may result in prosecution to the full extent of the law, as well as the application of all available legal remedies to recover damages suffered by any parties damaged by any action of U.S. and State Government official in violation of the U.S. Constitution.

REVOCAION OF POWER OF ATTORNEY

Furthermore, I hereby revoke, rescind, and make void *ab initio*, all powers of attorney, in fact or otherwise, implied in law or otherwise, signed either by me or anyone else, as it pertains to the Social Security number assigned to me, Kenneth Butler, as it pertains to my birth certificate, marriage or business license, or any other license or certificate issued by any and all governments or quasi government entities, due to the use of various elements of fraud by said agency to attempt to deprive me of my Sovereignty and, or property.

I hereby waive, cancel, repudiate, and refuse to knowingly accept any alleged "benefits" or gratuity associated with any of the aforementioned licenses, numbers, or certificates. I do hereby revoke and rescind all Powers of Attorney, in fact or otherwise, signed by me or otherwise, and implied in a law or otherwise, with or without my consent or knowledge, as it pertains to any and all property, real or personal, corporeal or incorporeal, obtained in the past, present, or future. I am the sole and absolute legal owner and possess allodial title to any and all such properties.

Take Notice that I also revoked, cancel, and make void *ab initio* all Powers of Attorney, in fact, and presumption, or otherwise, signed either by me or anyone else, claiming to act on my behalf, with or without my consent, as such Powers of Attorney pertains to me or any property owned by me, by, but not limited to, any and all quasi/ colorable, public, government entities or corporations on the grounds of constructive fraud, concealment, or non disclosure of pertinent facts.

I affirm that all of the foregoing is true and correct. I affirm that I am of lawful age and am competent to make this Affidavit. I hereby affix my own signature to all of

Purpose of the Full Faith and Credit Clause:

Specifically Article IV, Section 1, of the U.S. Constitution states: "Full faith and credit shall be given in each state to the PUBLIC RECORDS_ every other state..." The goals of the Framers of the Constitution in the Full Faith and Credit Clause was to unite the new born country while allowing the states to retain some autonomy.... US Supreme court decision in Milwaukee County v. M. E.
