## Certification of Lead-Impacted Soil Remediation

Issued to:

1220 121st Street, Hammond, Indiana

Parcel No. 45-03-07-401-008.000-023

The City of Hammond, Indiana certifies that removal of lead-impacted soil, the replacement of clean backfill and topsoil, and property restoration activities have successfully been completed on the property located at 1220 121st Street, Hammond, Indiana in 2023. Post-excavation concentrations of lead in surface soil are below the US EPA's residential screening levels and remediation activities on this property are considered complete. This certificate will be recorded in the office of the Lake County Recorder.

Signed this date February 20, 2024
