The Real Property or its address is commonly known as 10158 SENTRY DR, SAINT JOHN, IN 46373.

REVOLVING LINE OF CREDIT. This Mortgage secures the indebtedness including, without limitation, a revolving line of credit, which obligates Lender to make future obligations and advances to Borrower up to a maximum amount of \$83,400.00 so long as Borrower complies with all the terms of the Credit Agreement. Such future obligations and advances, and the interest thereon, are secured by this Mortgage whether such obligations and advances arise under the Credit Agreement, this Mortgage or otherwise. This Mortgage also secures all modifications, extensions and renewals of the Credit Agreement, the Mortgage or any other amounts expended by Lender on Borrower's behalf as provided for in the Mortgage. Such advances may be made, repaid, and remade from time to time, subject to the limitation that the total outstanding balance owing at any one time, not including finance charges on such balance at a fixed or variable rate or sum as provided in the Credit Agreement, any temporary overages, other charges, and any amounts expended or advanced as provided in this paragraph, shall not exceed the Credit Limit as provided in the Credit Agreement. It is the intention of Grantor and Lender that this Mortgage secures the balance outstanding under the Credit Agreement from time to time from zero up to the Credit Limit as provided in the Credit Agreement and any intermediate balance.

THIS MORTGAGE, INCLUDING THE ASSIGNMENT OF RENTS AND THE SECURITY INTEREST IN THE RENTS AND PERSONAL PROPERTY, IS GIVEN TO SECURE (A) PAYMENT OF THE INDEBTEDNESS AND (B) PERFORMANCE OF EACH OF GRANTOR'S AGREEMENTS AND OBLIGATIONS UNDER THIS MORTGAGE. THIS MORTGAGE IS GIVEN AND ACCEPTED ON THE FOLLOWING TERMS:

PAYMENT AND PERFORMANCE. Except as otherwise provided in this Mortgage, Borrower shall pay to Lender all indebtedness secured by this Mortgage as it becomes due, and Borrower and Grantor shall strictly perform all Borrower's and Grantor's obligations under this Mortgage.

POSSESSION AND MAINTENANCE OF THE PROPERTY. Borrower and Grantor agree that Borrower's and Grantor's possession and use of the Property shall be governed by the following provisions:

Possession and Use. Until the occurrence of an Event of Default, Grantor may (1) remain in possession and control of the Property; (2) use, operate or manage the Property; and (3) collect the Rents from the Property.

Duty to Maintain. Grantor shall maintain the Property in good condition and promptly perform all repairs, replacements, and maintenance necessary to preserve its value.

Hazardous Substances. Grantor represents and warrants that the Property never has been, and never will be so long as this Mortgage remains a lien on the Property, used for the generation, manufacture, storage, treatment, disposal, release or threatened release of any Hazardous Substance in violation of any Environmental Laws. Grantor authorizes Lender and its agents to enter upon the Property to make such inspections and tests as Lender may deem appropriate to determine compliance of the Property with this section of the Mortgage. Grantor hereby (1) releases and waives any future claims against Lender for indemnity or contribution in the event Grantor becomes liable for cleanup or other costs under any such laws, and (2) agrees to indemnify, defend, and hold harmless Lender against any and all claims and losses resulting from a breach of this paragraph of the Mortgage. This obligation to indemnify and defend shall survive the payment of the indebtedness and the satisfaction of this Mortgage.

DUE ON SALE - CONSENT BY LENDER. Lender may, at Lender's option, declare immediately due and payable all sums secured by this Mortgage upon the sale or transfer, without Lender's prior written consent, of all or any part of the Real Property, or any interest in the Real Property. A "sale or transfer" means the conveyance of Real Property or any right, title or interest in the Real Property; whether legal, beneficial or equitable; whether voluntary or involuntary; whether by outright sale, deed, installment sale contract, land contract, contract for deed, leasehold interest with a term greater than three (3) years, lease-option contract, or by sale, assignment, or transfer of any beneficial interest in or to any land trust holding title to the Real Property, or by any other method of conveyance of an interest in the Real Property. However, this option shall not be exercised by Lender if such exercise is prohibited by federal law or by Indiana law.

TAXES AND LIENS. The following provisions relating to the taxes and liens on the Property are part of this Mortgage:

Payment. Grantor shall pay when due (and in all events prior to delinquency) all taxes, payroll taxes, special taxes, assessments, water charges and sewer service charges levied against or on account of the Property, and shall pay when due all claims for work done on or for services rendered or material furnished to the Property. Grantor shall maintain the Property free of any liens having priority over or equal to the interest of Lender under this Mortgage, except for the Existing Indebtedness referred to in this Mortgage or those liens specifically agreed to in writing by Lender, and except for the lien of taxes and assessments not due and except as otherwise provided in this Mortgage.

PROPERTY DAMAGE INSURANCE. The following provisions relating to insuring the Property are a part of this Mortgage:

Maintenance of Insurance. Grantor shall procure and maintain policies of fire insurance with standard extended coverage endorsements on a replacement basis for the full insurable value covering all improvements on the Real Property in an amount sufficient to avoid application of any coinsurance clause, and with a standard mortgagee clause in favor of Lender. Policies shall be written by such insurance companies and in such form as may be reasonably acceptable to Lender. Grantor shall deliver to Lender certificates of coverage from each insurer containing a stipulation that coverage will not be cancelled or diminished without a minimum of ten (10) days' prior written notice to Lender and not containing any disclaimer of the insurer's liability for failure to give such notice. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. Should the Real Property be located in an area designated by the Administrator of the Federal Emergency Management Agency as a special flood hazard area, Grantor agrees to obtain and maintain flood insurance, if available, for the maximum amount of Borrower's credit line and the full unpaid principal balance of any prior liens on the property securing the loan, up to the maximum policy limits set under the National Flood Insurance Program, or as otherwise required by Lender, and to maintain such insurance for the term of the loan. Flood insurance may be purchased under the National Flood Insurance Program, from private insurers providing "private flood insurance" as defined by applicable federal flood insurance statutes and regulations, or from another flood insurance provider that is both acceptable to Lender in its sole discretion and permitted by applicable federal flood insurance statutes and regulations.

Lender's Expenditures. If Grantor fails (1) to keep the Property free of all taxes, liens, security interests, encumbrances, and other claims, (2) to provide any required insurance on the Property, (3) to make repairs to the Property or to comply with any obligation to maintain Existing Indebtedness in good standing as required below, then Lender may do so. If any action or proceeding is commenced that would materially affect Lender's interests in the Property, then Lender on Grantor's behalf may, but is not required to, take any action that Lender believes to be appropriate to protect Lender's interests. All expenses incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Credit Agreement from the date incurred or paid by Lender to the date of repayment by Grantor. However, if this loan is a "consumer loan" or a "consumer related loan" as defined under the Indiana Uniform Consumer Credit Code, the rate charged will not exceed the Annual Percentage Rate initially disclosed on the loan. All such expenses will become a part of the Indebtedness and, at Lender's option, will (1) be payable on demand; (2) be added to the balance of the Credit Agreement and be apportioned among and be payable with any installment payments to become due during either (a) the term of any applicable insurance policy; or (b) the remaining term of the Credit Agreement; or (3) be treated as a balloon payment which will be due and payable at the Credit Agreement's maturity.

Warranty; Defense of Title. The following provisions relating to ownership of the Property are a part of this Mortgage:

Title. Grantor warrants that: (a) Grantor holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in the Existing Indebtedness section below or in any title insurance policy, title report, or

final title opinion issued in favor of, and accepted by, Lender in connection with this Mortgage, and (b) Grantor has the full right, power, and authority to execute and deliver this Mortgage to Lender.

Defense of Title. Subject to the exception in the paragraph above, Grantor warrants and will forever defend the title to the Property against the lawful claims of all persons.

Existing Indebtedness. The following provisions concerning Existing Indebtedness are a part of this Mortgage:

Existing Lien. The lien of this Mortgage securing the Indebtedness may be secondary and inferior to the lien securing payment of an existing obligation. The existing obligation has a current principal balance of approximately \$432,270.61. Grantor expressly covenants and agrees to pay, or see to the payment of, the Existing Indebtedness and to prevent any default on such indebtedness, any default under the instruments evidencing such indebtedness, or any default under any security documents for such indebtedness.

Full Performance. If Borrower and Grantor pay all the Indebtedness when due, terminates the credit line account, and Grantor otherwise performs all the obligations imposed upon Grantor under this Mortgage, Lender shall execute and deliver to Grantor a suitable satisfaction of this Mortgage and suitable statements of termination of any financing statement on file evidencing Lender's security interest in the Rents and the Personal Property. Grantor will pay, if permitted by applicable law, any reasonable termination fee as determined by Lender from time to time.

Events of Default. Grantor will be in default under this Mortgage if any of the following happen: (1) Grantor commits fraud or makes a material misrepresentation at any time in connection with the Credit Agreement. This can include, for example, a false statement about Borrower's or Grantor's income, assets, liabilities, or any other aspects of Borrower's or Grantor's financial condition. (2) Borrower does not meet the repayment terms of the Credit Agreement. (3) Grantor's action or inaction adversely affects the collateral or Lender's rights in the collateral. This can include, for example, failure to maintain required insurance, waste or destructive use of the dwelling, failure to pay taxes, death of all persons liable on the account, transfer of title or sale of the dwelling, creation of a senior lien on the dwelling without Lender's permission, foreclosure by the holder of another lien, or the use of funds or the dwelling for prohibited purposes.

Rights and Remedies on Default. Upon the occurrence of an Event of Default and at any time thereafter but subject to any limitation in the Credit Agreement or any limitation in this Mortgage, Lender, at Lender's option, may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

Accelerate Indebtedness. Lender shall have the right at its option without notice to Borrower or Grantor to declare the entire Indebtedness immediately due and payable, including any prepayment penalty that Borrower would be required to pay.

UCC Remedies. With respect to all or any part of the Personal Property, Lender shall have all the rights and remedies of a secured party under the Uniform Commercial Code.

Judicial Foreclosure. Lender may obtain a judicial decree foreclosing Grantor's interest in all or any part of the Property.

Other Remedies. Lender shall have all other rights and remedies provided in this Mortgage or the Credit Agreement or available at law or in equity.

Sale of the Property. To the extent permitted by applicable law, Borrower and Grantor hereby waive any and all right to have the Property marshalled. In exercising its rights and remedies, Lender shall be free to sell all or any part of the Property together or separately, in one sale or by separate sales. Lender shall be entitled to bid at any public sale on all or any portion of the Property.

Election of Remedies. All of Lender's rights and remedies will be cumulative and may be exercised alone or together. An election by Lender to choose any one remedy will not bar Lender from using any

other remedy. If Lender decides to spend money or to perform any of Grantor's obligations under this Mortgage, after Grantor's failure to do so, that decision by Lender will not affect Lender's right to declare Grantor in default and to exercise Lender's remedies.

Attorneys' Fees; Expenses. If Lender institutes any suit or action to enforce any of the terms of this Mortgage, Lender shall be entitled to recover such sum as the court may adjudge reasonable as attorneys' fees at trial and upon any appeal. Whether or not any court action is involved, and to the extent not prohibited by law, all reasonable expenses Lender incurs that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest at the Credit Agreement rate from the date of the expenditure until repaid. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Lender's reasonable attorneys' fees and Lender's legal expenses whether or not there is a lawsuit, including reasonable attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees and title insurance, to the extent permitted by applicable law. However, Grantor only will pay reasonable attorneys' fees of an attorney not Lender's salaried employee, to whom the matter is referred after default. Grantor also will pay any court costs, in addition to all other sums provided by law.

Association of Unit Owners. The following provisions apply if the Real Property has been submitted to unit ownership law or similar law for the establishment of condominiums or cooperative ownership of the Real Property:

Power of Attorney. Grantor grants an irrevocable power of attorney to Lender to vote in Lender's discretion on any matter that may come before the association of unit owners. Lender will have the right to exercise this power of attorney only after Grantor's default; however, Lender may decline to exercise this power as Lender sees fit.

Insurance. The insurance as required above may be carried by the association of unit owners on Grantor's behalf, and the proceeds of such insurance may be paid to the association of unit owners for the purpose of repairing or reconstructing the Property. If not so used by the association, such proceeds shall be paid to Lender.

Compliance with Regulations of Association. Grantor shall perform all of the obligations imposed on Grantor by the declaration submitting the Real Property to unit ownership, by the bylaws of the association of unit owners, or by any rules or regulations thereunder. If Grantor's interest in the Real Property is a leasehold interest and such property has been submitted to unit ownership, Grantor shall perform all of the obligations imposed on Grantor by the lease of the Real Property from its owner.

ADDITIONAL PROVISIONS. The following additional provisions apply and control if they conflict with any other provision herein to the contrary.

1. **Inspections.** Lender or its agents may enter the Property at any reasonable time to inspect the Property. Lender will give Grantor notice at the time of or before an inspection specifying a reasonable purpose for the inspection. Any inspection will be solely for Lender's benefit and Grantor will in no way rely on Lender's inspection.
2. **Existing Indebtedness.** Grantor agrees (A) not to allow any modification or extension of, nor to request any future advances under any note or agreement secured by a lien document that created a prior security interest or incumbrance on the Property without Lender's prior written consent and (B) to promptly deliver to Lender any notices that Grantor receives from the holder.
3. **Maintenance of Insurance.** In addition to any other insurance required and consistent with the requirements for insurance as provided in this Mortgage, Grantor shall also keep the Property insured against the risks reasonably associated with the Property in such coverages and amounts as Lender requires until such time as the Property is released from this Mortgage. Grantor will give Lender and the insurer immediate notice of any loss. All insurance proceeds will be applied to restoration or repair of the Property or to the Indebtedness, at Lender's option. Grantor will immediately notify Lender of cancellation

or termination of insurance. If Lender purchases insurance upon my failure to obtain or maintain required insurance, Grantor acknowledges and agrees that the insurance (A) will provide limited protection against physical damage up to any amount equal to the lesser of (1) the unpaid balance of the Indebtedness, excluding any unearned finance charges or (2) the value of the collateral, (B) may not insure my equity in the collateral, (C) may not provide any public liability or property damage indemnification and may not meet the requirements of any financial responsibility laws, (D) may include coverages not originally required, (E) may be written by a company other than one Grantor would choose, (F) may be written at a higher rate than Grantor could obtain if Grantor purchased the insurance. Grantor acknowledges and agrees that Lender or an affiliate may receive commissions on the purchase of this insurance.

4. Co-Signer. If Grantor signs this Mortgage but is not otherwise obligated to pay the Indebtedness, Grantor does so only to mortgage Grantor's interest in the Property to secure payment of the Indebtedness, and Grantor does not agree by signing this Mortgage to be personally liable on the Indebtedness. If the Mortgage secures a guaranty between Grantor and Lender, Grantor agrees to waive any rights that may prevent Lender from bringing any action or claim against Grantor or any party indebted under the obligation, including but not limited to anti-deficiency or one-action laws.

5. Disputes. Grantor consents to service of process by first-class mail or messenger directed to the last address Grantor has provided to Lender. Nothing in this Agreement affects Lender's rights to serve legal process by any other manner permitted by law, to bring any action or proceeding in the courts of any jurisdiction or to exercise self-help remedies, such as set-off, even if Lender has commenced proceedings for court enforcement of its rights under this Agreement.

6. Waivers. Except to the extent prohibited by law, Grantor waives all rights of valuation and appraisal relating to the Property.

7. No Action by Lender. Nothing in this Mortgage shall require Lender to take any action. By not exercising any remedy, Lender does not waive Lender's right to later deem an event a default if it continues or occurs again or to exercise any remedy.

8. Default. In addition to the events of default stated in the Events of Default section, Grantor will also be in default if (A) Grantor fails to maintain a deposit account or investment account with Lender; (B) Grantor dies or is declared legally incompetent; (C) fails to perform any condition or to keep any covenant or obligation of this Mortgage; (D) defaults under the terms of any other document related to the Indebtedness; (E) defaults on any other debt or agreement Grantor has with Lender; (F) fails to satisfy or appeal any judgment against Grantor; (G) changes Grantor's name or assumes another name without notifying Lender before doing so; (H) uses the Property in a manner or for a purpose that threatens confiscation by a legal authority; (I) transfer all or a substantial part of Grantor's money or property; (J) Lender determines in good faith that the value of the Property has declined or is impaired; (K) Grantor or any co-signer, endorser, surety or guarantor of this Mortgage or any other obligations Grantor has with Lender dies, dissolves, becomes insolvent, has a receiver appointed, makes an assignment for the benefit of creditors, voluntarily or involuntarily terminates existence or commences any proceeding under any insolvency, bankruptcy, reorganization, composition or debtor relief law; or (L) Lender determines in good faith that a material adverse change has occurred in Grantor's financial condition from the conditions set forth in Grantor's most recent financial statement or that the prospect for payment or performance of this Agreement is impaired for any reason.

9. Condemnation. Grantor will give Lender prompt notice of any pending or threatened action by any entity to purchase or take all or any part of the Property through condemnation, eminent domain or otherwise. Grantor authorized Lender to intervene in Grantor's name in any such action. Grantor assigns to Lender the proceeds of any award or claim for damages in connection with the condemnation or taking. Such proceeds will be deemed payments and applied as provided in the Mortgage. This assignment is subject to the terms of any prior mortgage, deed of trust, security agreement or other lien document.

10. Joint and Several Liability. Each Grantor's obligations under this Mortgage are independent of the obligations of any other Grantor. Lender may sue each Grantor individually or together with any other Grantor. Lender may release any part of the Property, and Grantor will still be obligated under this Mortgage for the remaining Property. Grantor agrees that Lender and any party to this Mortgage may extend, modify or make any change in the terms of this Mortgage or any evidence of debt without Grantor's consent. Such a change will not release Grantor from the terms of this Mortgage.

11. Amendment, Integration and Severability. No amendment or modification of this Mortgage shall be effective unless made in writing and executed by Grantor and Lender. This Mortgage and Related Documents are the complete and final expression of the agreement. If any provision of this Mortgage is unenforceable, then that provision shall be severed and the remaining provisions will remain enforceable.

Miscellaneous Provisions. The following miscellaneous provisions are a part of this Mortgage:

Governing Law. This Mortgage will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Indiana without regard to its conflicts of law provisions. This Mortgage has been accepted by Lender in the State of Indiana.

PLANNED UNIT DEVELOPMENT RIDER

THIS PLANNED UNIT DEVELOPMENT RIDER is made this 22ND day of JULY, 2024, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust or Security Deed (the "Security Instrument") of the same date, given by the undersigned (the "Borrower") to secure Borrower's Note to 1st Source Bank (the "Lender") of the same date and covering the Property described in the Security Instrument and located at:

10158 SENTRY DR, SAINT JOHN, IN 46373

[Property Address]

The Property includes, but is not limited to, a parcel of land improved with a dwelling, together with other such parcels and certain common areas and facilities, as described in (the "Declaration"). The Property is a part of a planned unit development known as

THE GATES OF ST. JOHN

[Name of Planned Unit Development]

(the "PUD"). The Property also includes Borrower's interest in the homeowners association or equivalent entity owning or managing the common areas and facilities of the PUD (the "Owners Association") and the uses, benefits and proceeds of Borrower's interest.

PUD COVENANTS. In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agree as follows:

A. PUD Obligations. Borrower shall perform all of Borrower's obligations under the PUD's Constituent Documents. The "Constituent Documents" are the: (i) Declaration; (ii) articles of incorporation, trust instrument or any equivalent document which creates the Owners Association; and (iii) any by-laws or other rules or regulations of the Owners Association. Borrower shall promptly pay, when due, all dues and assessments imposed pursuant to the Constituent Documents.

B. Property Insurance. So long as the Owners Association maintains, with a generally accepted insurance carrier, a "master" or "blanket" policy insuring the Property which is satisfactory to Lender and which provides insurance coverage in the amounts (including deductible levels), for the periods, and against loss by fire, hazards included within the term "extended coverage," and any other hazards, including, but not limited to, earthquakes and floods, for which Lender requires insurance, then: (i) Lender waives the provision in Section 3 for the Periodic Payment to Lender of the yearly premium installments for property insurance on the Property; and (ii) Borrower's obligation under Section 5 to maintain property insurance coverage on the Property is deemed satisfied to the extent that the required coverage is provided by the Owners Association policy.

What Lender requires as a condition of this waiver can change during the term of the loan.

Borrower shall give Lender prompt notice of any lapse in required property insurance coverage provided by the master or blanket policy.

NOT AN OFFICIAL DOCUMENT

In the event of a distribution of property insurance proceeds in lieu of restoration or repair following a loss to the Property, or to common areas and facilities of the PUD, any proceeds payable to Borrower are hereby assigned and shall be paid to Lender. Lender shall apply the proceeds to the sums secured by the Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

C. Public Liability Insurance. Borrower shall take such actions as may be reasonable to ensure that the Owners Association maintains a public liability insurance policy acceptable in form, amount, and extent of coverage to Lender.

D. Condemnation. The proceeds of any award or claim for damages, direct or consequential, payable to Borrower in connection with any condemnation or other taking of all or any part of the Property or the common areas and facilities of the PUD, or for any conveyance in lieu of condemnation, are hereby assigned and shall be paid to Lender. Such proceeds shall be applied by Lender to the sums secured by the Security Instrument as provided in Section 11.

E. Lender's Prior Consent. Borrower shall not, except after notice to Lender and with Lender's prior written consent, either partition or subdivide the Property or consent to: (i) the abandonment or termination of the PUD, except for abandonment or termination required by law in the case of substantial destruction by fire or other casualty or in the case of a taking by condemnation or eminent domain; (ii) any amendment to any provision of the "Constituent Documents" if the provision is for the express benefit of Lender; (iii) termination of professional management and assumption of self-management of the Owners Association; or (iv) any action which would have the effect of rendering the public liability insurance coverage maintained by the Owners Association unacceptable to Lender.

F. Remedies. If Borrower does not pay PUD dues and assessments when due, then Lender may pay them. Any amounts disbursed by Lender under this paragraph F shall become additional debt of Borrower secured by the Security Instrument. Unless Borrower and Lender agree to other terms of payment, these amounts shall bear interest from the date of disbursement at the Note rate and shall be payable, with interest, upon notice from Lender to Borrower requesting payment.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this PUD Rider.
