## Certification of Lead-Impacted Soil Remediation

Issued to:

2106-24 Indianapolis Boulevard, Hammond, Indiana  
Parcel No. 45-03-07-426-001.000-023

The City of Hammond, Indiana certifies that removal of lead-impacted soil, the replacement of clean backfill and topsoil, and property restoration activities have successfully been completed on the property located at 2106-24 Indianapolis Boulevard, Hammond, Indiana in 2024. Post-excavation concentrations of lead in surface soil are below the US EPA's residential screening levels and remediation activities on this property are considered complete. This certificate will be recorded in the office of the Lake County Recorder.

Signed this date August 12 2024

Thomas M. McDermott, Jr., Mayor  
City of Hammond, Indiana

Ronald L. Novak, Director  
Department of Environmental Management
