Further, the Borrower will promptly forward to the Lender, in the manner required for notices to the Lender, copies of all orders, notices, permits, applications or other communications and reports in connection with any use, release, discharge, spillage, or the discovery of any Regulated Substance or any other matters within the scope of Environmental Laws as they may affect the Mortgaged Property.

6.09.7 The Borrower agrees that if at any time the Lender has reasonable cause to believe there are any Regulated Substances upon the Mortgaged Property other than Regulated Substances ordinarily and customarily utilized in the sales and service of motor vehicles, which Regulated Substances shall be stored and utilized in accordance with all applicable laws and regulations, or at any time after the occurrence of an event of default under the Note, this Security Instrument or any other Loan Document, the Lender may obtain, at the Borrower's cost and expense, an environmental site assessment or environmental audit report from a firm reasonably acceptable to the Lender, to assess with a reasonable degree of certainty (i) the presence of any Regulated Substances and (ii) the prudent course and options in connection with the abatement, cleanup and/or removal thereof, and the cost thereof.

6.09.8 The Borrower agrees that in the event of the presence of any Regulated Substance upon the Mortgaged Property other than Regulated Substances ordinarily and customarily utilized in the sales and service of motor vehicles, which Regulated Substances shall be stored and utilized in accordance with all applicable laws and regulations, whether or not the same originates or emanates from the Mortgaged Property and whether or not the same results from the Borrower's activities or use of the Mortgaged Property, or if the Borrower shall fail to comply with any of the requirements of the Environmental Laws, the Lender may at its election, but without the obligation to do so, (i) give such notices, (ii) cause such work to be performed at the Mortgaged Property or (iii) take any and all other actions as the Lender shall reasonably deem necessary or advisable in order to abate, cleanup and/or remove the Regulated Substance or otherwise cure the Borrower's noncompliance.

6.09.9 The Borrower acknowledges that the Lender has made the Loan and other advances secured by this Security Instrument and the other Loan Documents in reliance upon the Borrower's representations, warranties and covenants in this paragraph. Accordingly, the Borrower and the Lender agree that the provisions of this paragraph and paragraph 6.10 hereof shall supersede any provisions in the Note, this Security Instrument or any other Loan Document executed by the Borrower or any other persons liable for the Obligations hereunder, which in any way limit the personal liability of the Borrower or any such other person for the Obligations hereunder. Further, the Borrower shall be personally liable for all expenditures, costs and expenses made by, incurred by or asserted against the Lender arising under this paragraph even if such expenditures, costs and expenses exceed the amount of the Loan. All of the representations,

warranties and covenants of this paragraph shall survive the repayment of the Loan and termination, satisfaction or release of this Security Instrument.

6.09.10 Any amounts disbursed by the Lender pursuant to the provisions of this paragraph shall be added to, and deemed a part of, the Obligations hereunder, shall be secured in the same manner as the Note is secured shall bear interest from the date of the disbursement thereof at the same rate of interest as set forth in the Note, and shall, together with the interest thereon, be repayable by the Borrower on demand.

6.10 *Indemnity* – The Borrower shall protect, defend, indemnify and save harmless the Lender from, against and in respect of, any and all losses (including diminution in the value of the Mortgaged Property), costs, damages, liabilities, obligations, claims, causes of action, fines, penalties and expenses (including reasonable attorneys' fees, expenses and litigation costs, sums paid in settlements of claims and any such fees and expenses incurred in enforcing this indemnity or collecting any sums due hereunder) and expenses for accounting, consulting, engineering, investigation, cleanup, removal and/or disposal and other remedial costs incurred to permit continued or resume normal operations of activities on or use of the Mortgaged Property, directly or indirectly imposed upon or incurred by or asserted against the Lender, its Managers, officers, agents, employees, successors or assigns, or any of them, by any other party or parties (including, without limitation, a governmental entity), arising out of or in connection with (a) ownership of the Mortgaged Property or any interest therein, or receipt of any Rents or other sums therefrom, (b) any accident to, injury to or death of persons or loss of or damage to property occurring on or about the Mortgaged Property or the adjoining sidewalks, curbs, vaults or vault space, if any, streets or ways, (c) any use, nonuse or condition of the Mortgaged Property or the adjoining sidewalks, curbs, vaults or vault space, if any, streets or ways, (d) any failure on the part of the Borrower or any other person liable for the Obligations hereunder to perform or comply with any of the terms, covenants, conditions and agreements set forth in this Security Instrument, the Note or any other Loan Document executed by the Borrower or any such other person liable for the obligations hereunder, (e) performance of any labor or services or the furnishing of any materials or other property in respect of the Mortgaged Property or any part thereof for construction or maintenance or otherwise, (f) any action brought against the Lender attacking the validity, priority or enforceability of this Security Instrument, the Note or any other Loan Document, (g) the use, generation, refining, manufacture, transportation, transfer, production, processing, storage, handling, or treatment of any Regulated Substance on, under, from, or affecting the Mortgaged Property or any other property; (h) the presence, disposal, dumping, escape, seepage, leakage, spillage, discharge, emission, pumping, emptying, injecting, leaching, pouring, release, or threatened release of any Regulated Substance on, under, from, or affecting the Mortgaged Property or any other property; (i) the clean-up, removal or disposal of any Regulated Substance on, under, from or affecting the Mortgaged Property or any other property required by this Security Instrument or any governmental authority; (j) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Regulated Substance, including any damage arising out of any clean-up required by the governmental authorities or Environmental Laws; (k) any lawsuit brought or threatened, settlement reached, or government order relating to such Regulated Substance; (l) any violation of laws, orders, rules, regulations, requirements, guidelines, or demands of government authorities, including Environmental Permits, which are based upon or in any way related to such Regulated Substance including, without limitations, the costs and expenses of any remedial action, reasonable attorney and consultant fees, investigation and laboratory fees, court costs, and litigation expenses; or (m) a material misrepresentation or inaccuracy in any representation or warranty or a material breach of or failure to perform any covenant made by Borrower in this Security Instrument; and/or (n) any present or future violation of any Laws. Any amounts payable to the Lender under this paragraph shall be added to, and deemed a part of, the Obligations hereunder, shall be secured in the same manner as the Note is secured, shall bear interest from the date of the Lender's demand for payment thereof at the same rate of interest as set forth in the Note and shall, together with the interest thereon, be payable by the Borrower on demand. In the event any action, suit or proceeding is brought against the Lender or the Managers, officers, agents or employees of the Lender by reason of any such occurrence, the Borrower, upon the request of the Lender and at the Borrower's expense, shall resist and defend such action, suit or proceeding or cause the same to be resisted and defended by counsel designated by the Borrower and approved by the Lender. 7.00 RIGHTS AND DUTIES OF BORROWER WITH RESPECT TO MANAGEMENT AND USE OF THE MORTGAGED PROPERTY

7.01 Control by the Borrower – Until the happening of an Event of Default, the Borrower shall have the right to possess and enjoy the Mortgaged Property and, except as prohibited by the Loan Documents, to receive the Rents.

7.02 Management – At all times the Borrower shall provide competent and responsible management to Operate the Mortgaged Property. If the Lender so requests, all management and service contracts involving the Mortgaged Property shall be subject to approval in writing by the Lender prior to their execution and, once approved by Lender, shall not be amended or terminated without Lender's prior written approval.

7.03 Financial Statements; Books and Records – If requested by the Lender, the Borrower shall furnish to the Lender annual financial and operating statements of the Borrower and of the Mortgaged Property. Such statements shall show all items of income and expense for the operation of the Mortgaged Property, shall be certified by the Borrower and shall be prepared in accordance with generally accepted accounting principles applied on a consistent basis. All such financial and operating statements shall be supplied not later than one hundred and twenty (120) days after the close of Borrower's fiscal year. The Borrower agrees to make its books and records relating to the operation of the Mortgaged Property available for inspection by the Lender, upon request at any reasonable time, at Borrower's principal place of business or at such other location in the State of Indiana as Lender may reasonably request.

7.04 Leases – All Leases shall be subject to the prior written approval of the Lender, and shall contain a provision prohibiting subleasing or assigning by any Tenant without the prior written approval of the Lender, which approval shall not be unreasonably withheld. The Borrower will comply with its obligations under all Leases. The Borrower, within thirty (30) days after written request from the Lender, shall deliver to the Lender a detailed list and description of all Leases with copies thereof and such additional information as may be requested by the Lender. Upon demand by the Lender, Borrower will transfer and assign to the Lender, in a form satisfactory to the Lender, Borrower's interest in any Lease as further security for the Obligations secured hereby. No such assignment shall impose upon the Lender any liability to perform the Borrower's obligations under any Lease.

7.05 Enforcement of Leases, Amendment, Waiver, etc. – The Borrower will enforce all Leases according to their terms and shall take such action to that end as may be requested by the Lender, regardless of whether any such Lease has been assigned to the Lender. The Borrower shall not, without the prior written consent of the Lender (a) cancel or terminate, or consent to or accept any cancellation, termination, or surrender of any Lease, or permit any event within the Borrower's control to occur which would terminate or cancel any Lease, (b) amend or modify any Lease, (c) waive any default under or breach of any Lease, (d) consent to or permit any prepayment or discount of rent or advance rent under any Lease, or (e) give any consent, waiver, or approval under any Lease or take any other action with respect to any Lease which may impair the value of the Lender's interest in the Mortgaged Property. Borrower shall comply with and perform all duties and obligations imposed upon or assumed by it in all Leases.

7.06 Assignment of Rents; Appointment of Receiver; Lender in Possession – As part of the consideration for the indebtedness evidenced by the Note, Borrower hereby presently and unconditionally assigns with immediate effect to Lender all of Borrower's right, title and interest in and to all current and future Leases and Rents; it being intended by Borrower that this assignment constitutes a present, unconditional, and immediately effective assignment as security for repayment of the secured indebtedness and all other Obligations secured by this Security Instrument. Nevertheless, subject to the terms of the Assignment of Rents and Leases, Borrower may (i) enforce the terms of the Leases, and (ii) collect, receive, use and enjoy the Rents and Borrower shall hold the Rents, or a portion thereof sufficient to discharge all current sums due on the secured indebtedness and all other Obligations secured by this Security Instrument, for use in the payment of such sums. Upon the occurrence of an Event of Default, Lender shall be entitled to receive the Rents and apply them to the secured indebtedness, all other Obligations secured by this Security Instrument and to any and all sums due under the Loan Documents in such order and priority as Lender may determine in its sole and absolute discretion.

NOT AN OFFICIAL DOCUMENT

Borrower hereby covenants that Borrower has not executed any prior assignment of said Rents, that Borrower has not performed, and will not perform, any acts or has not executed, and will not execute, any instrument which would prevent Lender from exercising its rights under this Paragraph, and that at the time of execution of the Loan Documents there has been no anticipation or prepayment of any of the Rents of the Mortgaged Property for more than one month prior to the due dates of such Rents. Borrower covenants that Borrower will not hereafter collect or accept payment of any Rents of the Mortgaged Property more than one month prior to the due dates of such Rents. Borrower further covenants that Borrower will execute and deliver to Lender such further assignments of Rents of the Mortgaged Property as Lender may from time to time request.

Upon Borrower's breach of any covenant or agreement of Borrower in the Loan Documents, Lender may in person, by agent or by a court-appointed receiver, regardless of the adequacy of Lender's security, enter upon and take and maintain full control of the Mortgaged Property in order to perform all acts necessary and appropriate for the operation and maintenance thereof including, but not limited to, the execution, cancellation or modification of leases, the collection of all Rents of the Mortgaged Property, the filing of any suit to collect the Rents or evict any tenant/lessee, the making of repairs to the Mortgaged Property and the execution or termination of contracts providing for the management or maintenance of the Mortgaged Property, all on such terms as are deemed best to protect the security of the Lender in Lender's sole discretion. In the event Lender elects to seek the appointment of a receiver for the Mortgaged Property upon Borrower's breach of any covenant or agreement of Borrower in the Loan Documents, Borrower hereby expressly consents to the appointment of such receiver. Lender or the receiver shall be entitled to receive a reasonable fee for so managing the Mortgaged Property.

All Rents collected subsequent to delivery of written notice by Lender to Borrower of the breach by Borrower of any covenant or agreement of Borrower in the Loan Documents shall be applied first to the costs, if any, of taking control of and managing the Mortgaged Property and collecting the Rents, including, but not limited to, attorney's fees, receiver's bonds, costs of repairs to the Mortgaged Property, premiums on insurance policies, taxes, assessments and other charges on the Mortgaged Property, and the costs of discharging any obligation or liability of Borrower as lessor or landlord of the Mortgaged Property and then to the sums secured by the Loan Documents. Lender or the receiver shall have access to the books and records used in the operation and maintenance of the Mortgaged Property and shall be liable to account only for those Rents actually received. Lender shall not be liable to Borrower, anyone claiming under or through Borrower or anyone having an interest in the Mortgaged Property by reason of anything done or left undone by Lender under this Paragraph.

If the Rents of the Mortgaged Property are not sufficient to meet the costs of taking control of and managing the Mortgaged Property and collecting the Rents, any funds expended by Lender for such purposes shall become indebtedness of Borrower to Lender secured by this Security Instrument. Unless Lender and Borrower agree in writing to other terms of payment, such amounts shall be payable upon notice from Lender to Borrower requesting payment thereof and shall bear interest from the date of disbursement at the rate stated in the Note (or Default Rate, as applicable) unless payment of interest at such rate would be contrary to applicable law, in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law.

Any entering upon and taking and maintaining of control of the Mortgaged Property by Lender or the receiver and any application of Rents as provided herein shall not cure or waive any default hereunder or invalidate any other right or remedy of Lender under applicable law or provided herein. This assignment of rents of the Mortgaged Property shall terminate at such time as this Security Instrument and/or the Loan Documents ceases to secure indebtedness held by Lender.

The Borrower shall not assign the Rents arising from the Mortgaged Property or any part thereof or any interest therein without the prior written consent of the Lender, except as assigned to Lender herein. Any attempted assignment, pledge, hypothecation, or grant without such consent shall be null and void.

The Borrower hereby appoints Lender the true and lawful attorney-in-fact of Borrower, with full power of substitution, in Borrower's name and/or in Borrower's name, after and Event of Default hereunder, to sue for or make such settlement of claims as Lender may deem necessary or desirable in Lender's sole and absolute discretion, or otherwise demand, collect and receive all rents, issues and profits emanating from or related to the Mortgaged Property or any part thereof, or any of leases related to the Loan or the Mortgaged Property, and to apply the same as provided for in this Security Instrument. This power of attorney shall be deemed to be coupled with an interest, shall be irrevocable, and shall not terminate on the disability of the Borrower. It is the intention of the Borrower that all persons or parties may rely upon this power of attorney, and continue to rely upon it, until this assignment of rents of the Mortgaged Property, Security Instrument and/or the Loan Documents ceases to secure indebtedness held by Lender.

In the event of any other terms or covenants of this Security Instrument or the Loan Documents conflict with the terms and covenants in this Paragraph, the terms and covenants of this Paragraph shall prevail.

7.07 Construction Loan Provisions – Borrower agrees to comply with the covenants and conditions of the Construction and Security Agreement, if any, which is hereby incorporated by reference in and made a part of this Security Instrument. All advances made by Lender pursuant to the Construction and Security Agreement shall be indebtedness of Borrower secured by this Security Instrument, and such advances may be obligatory as provided in the Construction and Security Agreement. All sums disbursed by Lender prior to completion of the improvements to protect the security of this Security Instrument up to the principal amount of the Note shall be treated as disbursements pursuant to the Construction and Security Agreement. All such sums shall bear interest from the date of disbursement at the rate stated in the Note, unless collection from Borrower of interest at such rate would be contrary to applicable law in which event such amounts shall bear interest at the highest rate which may be collected from Borrower under applicable law and shall be payable upon notice from Lender to Borrower requesting payment thereof.

From time to time, and as Lender deems necessary to protect Lender's interests, Borrower shall, upon request of Lender, execute and deliver to Lender, in such form as Lender shall direct, assignments of any and all rights or claims which relate to the construction of the Property and which Borrower may have against any party supplying or who has supplied labor, materials or services in connection with construction of the Property. In case of breach by Borrower of the covenants and conditions of the Construction and Security Agreement, Lender, at Lender's option, with or without entry upon the Property, may invoke any of the rights or remedies provided in the Construction and Security Agreement, herein, or both.

7.8 Restriction on Encumbrances – The Borrower shall not allow any Encumbrances on the Mortgaged Property except the Permitted Encumbrances. The Borrower shall give the Lender prompt notice of any default in or under any Permitted Encumbrances and any notice of foreclosure or threat of foreclosure. The Borrower shall comply with its obligations under all Permitted Encumbrances. The Lender may, at its election, satisfy any Encumbrance (other than a Permitted Encumbrance not then in default), and the Borrower shall, on demand, reimburse the Lender for any sums advanced for such satisfaction together with interest at the Default Rate accruing from the date of satisfaction, which sums shall be secured hereby.

7.9 Maintenance, Waste, Repair and Inspection – Borrower shall: (a) keep and maintain the Mortgaged Property in good order, condition, and repair and make all fixture and equipment replacements and repairs necessary to ensure that the security for the Loan is not impaired; (b) not commit or suffer any waste of the Mortgaged Property; (c) promptly protect and conserve any portion of the Mortgaged Property remaining after any damage to, or partial destruction of, the Mortgaged Property; (d) promptly repair, restore, replace or rebuild any portion of the Mortgaged Property which is damaged or destroyed; (e) promptly restore the balance of the Mortgaged Property remaining after any Taking; (f) permit the Lender or its designee to inspect the Mortgaged Property at all reasonable times; and (g) not make any material change in the grade of the Mortgaged Property or permit any excavation of or on the Mortgaged Property.

7.10 Removal and Replacement of Equipment and Improvements – No part of the Mortgaged Property, except supplies consumed in the normal course of business and operations, or as a result of, and except as permitted under any applicable Construction and Security Agreement, shall be removed from the Land, demolished, or materially altered without

the prior written consent of the Lender. Any replacement fixtures or equipment shall be free of all Encumbrances, shall automatically be subject to the lien and security interest of this Security Instrument, and shall automatically be subject to the granting clauses hereof.

7.11 Charges/Liens – The Borrower shall pay (a) all water and sewer rates, rents, taxes, assessments, premiums and/or any other taxes, impositions or liens attributable to the Mortgaged Property (other than those payable by the Lender from the Expense Account) on or before the date any interest or penalty begins to accrue or attach thereto; and (b) all lawful claims which, if unpaid, might become a lien or charge upon the Mortgaged Property to such an extent as to materially and adversely affect the Borrower's ability to use the Mortgaged Property for the purposes for which it was designed or intended. If requested by Lender, Borrower shall promptly furnish to Lender receipts evidencing such payments.

Borrower shall promptly discharge any lien which has, or may have, priority over or equally with, the lien of this Security Instrument, and Borrower shall pay, when due, the claims of all persons supplying labor or materials to or in connection with the Mortgaged Property. Borrower shall not allow any lien inferior to this Security Instrument to be perfected against the Mortgaged Property without Lender's prior written permission. Any violation of the provisions of this Paragraph shall constitute an Event of Default hereunder.

7.12 Restrictive Covenants, Zoning, etc. – No restrictive covenant, zoning change, or other restriction affecting the Mortgaged Property may be entered into, requested by or consented to by Borrower without the prior written consent of the Lender.

7.13 Preservation of Appurtenances – The Borrower will do all things necessary to preserve intact and unimpaired, all easements, appurtenances, and other interests and rights in favor of, or constituting any portion of, the Mortgaged Property.

7.14 Restriction on Transfers – The Borrower will not, without the prior written consent of the Lender, lease, bargain, sell, transfer, assign, further encumber or convey the Mortgaged Property, or any portion thereof, or any legal or equitable interest therein, nor will the Borrower suffer or permit any such lease, bargain, sale, transfer, assignment, further encumbrance or conveyance. If the Borrower or any shareholder or partner of the Borrower is not a natural person but is a corporation, partnership, trust or other legal entity, then the bargain, sale, transfer or assignment of any legal or beneficial interest (including, without limitation, transfers resulting from mergers, consolidations or liquidations) in the Borrower or any such shareholder or partner of the Borrower without the prior written consent of the Lender shall be deemed to be in contravention of the provisions of the preceding sentence.

7.15 Future Advances – Upon request of Borrower, Lender, at Lender's option so long as this Security Instrument secures indebtedness held by Lender, may make Future Advances to Borrower. Such Future Advances, with interest thereon, shall be secured by this Security Instrument. At no time shall the principal amount of the indebtedness secured by this Security Instrument, not including sums advanced in accordance herewith to protect the security of this Instrument, exceed the original amount of the Note.

8.00 INSURANCE AND CONDEMNATION

8.01 Casualty Insurance and Allocation in Event of Loss – The Borrower shall keep the Mortgaged Property insured for the benefit of the Borrower and the Lender against all Risks. The limits, form, co-insurance clauses, and insurer for all such policies shall be satisfactory to the Lender. The Borrower shall deliver to the Lender all such policies. The policies shall contain a standard mortgagee loss payable endorsement providing that all payments shall be made to the sole order of the Lender to be applied by them in accordance with the terms of this Security Instrument. Within thirty (30) days prior to the expiration of any policy, the Borrower shall supply the Lender with a renewal policy marked "Premium Paid." All proceeds under such policies shall be paid to the Lender and shall be applied in the order and in the amounts that the Lender may elect, in the Lender's sole and absolute discretion, to (a) prepay the principal (whether or not then due and payable) and interest on any sums due under the Note; or (b) to alter, restore or rebuild all or any portions of the

Mortgaged Property which may have been altered, damaged or destroyed as a result of the casualty or other injury to the Mortgaged Property for which such insurance proceeds have been paid to the Lender. All moneys not utilized for the restoration of the Mortgaged Property shall be applied as a prepayment of amounts due under the Note, in inverse order of maturity. If proceeds of insurance are used to restore the Mortgaged Property, as aforesaid, the Lender shall not be obligated to see to the proper allocation thereof, nor shall any, such amount so used be deemed a payment of any indebtedness secured by, this Security Instrument. Proceeds of insurance to be used for restoration purposes shall be held by the Lender and disbursed under such terms and conditions, to such Persons, and at such times, as Lender may determine.

8.02 Liability Insurance – Unless waived by Lender, the Borrower will maintain liability and indemnity insurance with respect to the Mortgaged Property in such amounts, with such companies, and subject to such terms and conditions as the Lender may direct and approve. Such policies of insurance shall name the Lender as an additional insured thereunder and within thirty (30) days prior to the expiration of any such policy, the Borrower shall supply the Lender with a renewal policy marked "Premium Paid".

8.03 Business Interruption Insurance – Unless waived by Lender, the Borrower shall also carry and maintain rental interruption insurance on the Mortgaged Property in the same manner and under the same conditions (to the extent applicable) as provided in Section 8.02.

8.04 Condemnation and Allocation of Condemnation Awards – Borrower, immediately upon obtaining knowledge of the institution of any proceeding for a Taking, will notify the Lender of such proceedings. The Lender may participate in any such proceedings, and Borrower will, from time to time, deliver to the Lender all instruments requested by it to permit such participation. Any award or payment made as a result of any Taking shall be paid to the Lender and shall be applied in the order and in the amounts that the Lender may elect, in the Lender's sole and absolute discretion, to (a) prepay the principal (whether or not then due and payable) and interest on any sums due under the Note; or (b) to alter, restore or rebuild all or any portions of the Mortgaged Property which may have been altered, damaged or destroyed as a result of the Taking for which such award or payment has been paid to the Lender. All moneys not utilized for the repair or restoration of the remainder of the Mortgaged Property shall be applied as a prepayment of amounts due under the Note, in inverse order of maturity. The application of any award or payment as a prepayment of amounts due under the Note shall take effect only on the actual date of the receipt of the payment or award by the Lender. In the event any payment or award is used to restore the Mortgaged Property, as aforesaid, Lender shall not be obligated to see to the proper allocation thereof nor shall any amount so used be deemed a payment of any indebtedness secured by this Security Instrument. Payments or awards to be used for restoration purposes, as aforesaid, shall be held by the Lender and disbursed under such terms and conditions, to such Persons, and at such times, as Lender may determine.

All Rents collected by the Lender shall be applied (a) first, to pay all expenses incurred in taking possession of the Mortgaged Property, (b) second, to pay costs and expenses to Operate the Mortgaged Property and/or to comply with the terms of the Loan Documents, including reasonable attorney's fees, (c) third, to pay all sums secured by the Loan Documents in the order of priority selected by Lender, and (d) fourth, with the balance, if any, to the Borrower or such other Person as may be entitled thereto. Neither the Assignment of Rents and Leases nor any other assignment of Leases shall impose upon Lender any liability to perform Borrower's obligations under any Lease.

10.04 *Acceleration of the Note* – Upon an Event of Default, Lender may, at its option and by written notice to the Borrower, declare the entire balance of the Note and all other amounts due under the Loan Documents, immediately due and payable. Acceleration of maturity, once claimed by the Lender may, at the option of the Lender, be rescinded by written acknowledgment to that effect by the Lender, but the tender and acceptance of partial payments alone shall not in any way affect or rescind such acceleration of maturity.

10.05 *Collection of Rents* – Upon the occurrence of an Event of Default and written demand by the Lender to the Tenants, all Rents shall be payable directly to the Lender, as more fully set forth in Section 7.06 herein and subject to any applicable law.

10.06 *Foreclosure Proceedings*. Upon an Event of Default, Lender may commence and maintain an action or actions in any court of competent jurisdiction to foreclose this Security Instrument or to obtain specific enforcement of the covenants of Borrower under this Security Instrument, and Borrower agrees that such covenants shall be specifically enforceable by injunction or any other appropriate equitable remedy. For the purposes of any suit brought under this subsection, Borrower waives the defenses of laches and any applicable statute of limitations.

10.07 *Application and Proceeds of Sale* – Upon a sale, by foreclosure or otherwise, the purchaser shall receive that portion of or interest in the Mortgaged Property purchased by it free from any claims of the Borrower and without any liability to see to the application of the purchase money. The net proceeds from the sale, after deduction of all costs of the sale, shall be applied (a) first, to pay all expenses incurred in taking possession of the Mortgaged Property, (b) second, to pay costs and expenses to Operate the Mortgaged Property, including reasonable attorney's fees, (c) third, to pay all sums secured by or due under the Loan Documents in the order of priority determined by the Lender, and (d) fourth, the balance, if any, to the Borrower or to other Persons entitled thereto.

10.08 *Deficiency of Proceeds* – If, after a sale, by foreclosure or otherwise, a deficiency exists in the net proceeds of such sale, the Lender shall be entitled to a deficiency judgment or decree for such deficiency which shall bear interest at the Default Rate.

10.09 *Intentionally Omitted*

10.10 *Insurance or Condemnation After Deficiency* – If the Mortgaged Property is sold at a sale, by foreclosure or otherwise, prior to receipt of an insurance or a condemnation award or payment, the Lender shall receive and apply the proceeds of the award or payment toward the satisfaction of any deficiency resulting from the foreclosure sale, whether or not a deficiency judgment is sought, recovered, or denied.

10.12 *Intentionally Omitted*

10.13 *Appointment of a Receiver* – Upon the occurrence of an Event of Default, the Lender shall be entitled to the immediate appointment of a receiver for the Mortgaged Property, without regard to the value of the Mortgaged Property or the solvency of any person liable for payment of the amounts due under the Loan Documents.

10.14 *Remedies Cumulative* – All rights, powers, and remedies of the Lender provided for in the Loan Documents are cumulative and concurrent and shall be in addition to and not exclusive of any appropriate legal or equitable remedy provided by Law or contract. Exercise of any right, power, or remedy shall not preclude the simultaneous or subsequent exercise of any other by the Lender.

10.15 *Consent to Jurisdiction and Venue* – The Borrower consents to being sued in any jurisdiction where any of the Mortgaged Property is located or where Borrower resides or is located.

10.16 *Rights Under the Uniform Commercial Code* – Upon the occurrence of an Event of Default, the Borrower shall assemble and make available to the Lender those portions of the Mortgaged Property which consist of personal property at a place to be designated by the Lender, and the Lender may exercise all the rights and remedies of a secured party under the Uniform Commercial Code. Any notices required by the Uniform Commercial Code shall be deemed reasonable if mailed certified mail, return receipt requested, postage prepaid, by the Lender to the Borrower.

10.17 *Right to Determine Which Leases Survive* – If disclosed in the advertisement of sale, a foreclosure sale may be made subject to one or more Leases of the Mortgaged Property.

Borrower, any party who consents to this Security Instrument and any party who now or hereafter acquires a security interest in the Property and who has actual or constructive notice hereof hereby waives any and all right to require the marshalling of assets in connection with the exercise of any of the remedies permitted by applicable law or provided herein.

10.20 Uniform Instrument; No Presumption Against Drafter – This form of instrument combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property and related fixtures. This Security Instrument shall be governed by the law of the jurisdiction in which the Property is located. In the event any foreclosure procedure or provision called for in this Security Instrument fails to comply with the lawful foreclosure procedure in the State or jurisdiction in which the Property is located, or technical requirements must be met to foreclose on the Mortgaged Property that are not contained or accounted for herein, the lawful procedures/technical requirements shall be deemed to supplant the provisions herein which are inconsistent or which have been omitted, and shall be incorporated herein by reference, and any defenses to unlawful or defective foreclosure as a result of such inconsistencies or omissions are hereby waived by Borrower. There shall be no presumption against the drafter of this Security Instrument in the interpretation hereof.

11.00 MISCELLANEOUS

11.01 Waivers – No term of any Loan Document shall be deemed waived unless the waiver shall be in writing and signed by the parties making the waiver. Any failure by the Lender to insist upon the Borrower's strict performance of any of the terms of the Loan Documents shall not be deemed or construed as a waiver of those or any other terms. Any delay in exercising or enforcing any rights with respect to a Default or an Event of Default shall not bar the Lender from exercising any rights under the Loan Documents, or at law or in equity.

11.02 Consents –

11.02.1 The Lender may (a) release any person liable under the Loan Documents, (b) release any part of the security, (c) extend the time of payment of the Loan, and/or (d) modify the terms of the Loan Documents, regardless of consideration and without notice to or consent by the holder of any subordinate lien on the Mortgaged Property. No release, extension or modification of the security held under the Loan Documents shall impair or affect the lien of this Security Instrument or the priority of such lien over any subordinate lien.

11.02.2 Regardless of whether a Person has been given notice or has given its prior consent, it shall not be relieved of any obligation under any Loan Documents by reason of (a) the failure of the Lender, or any other Person to take any action to foreclose, or otherwise enforce any provision of the Loan Documents, (b) the release of any other Person liable under any Loan Document, (c) the release of any portion of the security under the Loan Documents, or (d) any agreement or stipulation between any subsequent owners of the Mortgaged Property and Lender extending the time of payment or modifying the terms of any Loan Document.

11.03 Headings – All Article and Section headings are for convenience only and shall not be interpreted to enlarge or restrict the provisions of this Security Instrument.

11.04 Notices – All notices shall be in writing and, unless otherwise specified in a written notice, shall be sent to the respective addresses of the parties as set forth in the Note, or as updated by Borrower by written notice to Lender.

A notice may be hand-delivered or mailed, postage prepaid, first class, registered or certified mail. Any notice sent by mail shall be deemed to have been received on the second business day following the date of mailing.

11.05 *Binding Effect* – No transfer of any portion of the Mortgaged Property or any interest thereon shall relieve any transferor of its obligations under the Loan Documents. No transferor of any obligation under any Loan Document shall be relieved of its obligations by any modification of any Loan Document subsequent to the transfer.

11.06 *Amendment* – No Loan Document may be modified except in writing signed by (a) the Lender and (b) Borrower.

11.07 *Severability* – In the event any provision of this Security Instrument shall be held invalid or unenforceable by a court of competent Jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

11.08 *Notices from Governmental Authorities Affecting the Mortgaged Property* – Any notice from any governmental or quasi-governmental authority or corporation with respect to the Mortgaged Property sent to or known by the Borrower shall be promptly transmitted to the Lender.

11.09 *Applicable Law* – This Security Instrument shall be governed by the Laws of the State of Indiana, without regard to the principles of conflict of laws. All rights, powers and remedies provided in this Security Instrument may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of law and are intended to be limited to the extent necessary so that they will not render this Security Instrument invalid, unenforceable or not entitled to be recorded, registered or filed under the provisions of any applicable laws of the State of Indiana and/or the United States.

11.10 *Time of the Essence* – Time is of the essence with respect to the Loan Documents.

11.11 *Jury Waiver* – THE UNDERSIGNED AND THE LENDER (BY ITS ACCEPTANCE HEREOF) HEREBY VOLUNTARILY, KNOWINGLY, IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE (WHETHER BASED UPON CONTRACT, TORT, OR OTHERWISE) BETWEEN OR AMONG THE UNDERSIGNED AND THE LENDER. THIS PROVISION IS A MATERIAL INDUCEMENT TO THE LENDER TO PROVIDE THE FINANCING EVIDENCED BY THIS DOCUMENT AND THE LOAN DOCUMENTS.

11.12 *Effect of Payments* – Any payment or other performance made in accordance with the Loan Documents by any Person other than Borrower shall not entitle such Person to any right of subrogation under the Loan Documents, unless expressly consented to in writing by the Lender.

11.13 *Word Forms* – The use of any gender, tense, or conjugation herein shall be applicable to all genders, tenses, and conjugations. The use of the singular shall include the plural and the plural shall include the singular.

13.04 *Definitions (State-Specific)* – Terms used in this Section 13 that are not otherwise defined are given the same meaning as set forth in this Security Instrument. The following terms and references (for purposes of Section 13 only) shall mean the following:

- (a) "Applicable State Law" means statutory and case law in the State, including, but not by way of limitation, Mortgages, Ind. Code § 32-29, Mortgage Foreclosure Actions, Ind. Code § 32-30-10, Receiverships, Ind. Code § 32-30-5, and the UCC, as amended, modified and/or recodified from time to time.
- (b) "County" means the County in the State in which the Property is located.
- (c) "State" means the state in which the Property is located.
- (d) "UCC" means the Uniform Commercial Code - Secured Transactions, Ind. Code § 26-1-9.1 as amended, modified and/or recodified from time to time; provided, however, if by reason of mandatory provisions of law, the perfection, the effect of perfection or nonperfection, and the priority of a security interests in any UCC collateral are governed by the Uniform Commercial Code as in effect in a jurisdiction other than the State, "UCC" shall mean the Uniform Commercial Code as in effect in such other jurisdiction for purposes of the provisions hereof relating to perfection, effect of perfection or non-perfection, and the priority of the security interests in any such UCC collateral.

13.05 *Obligations* – The term "Obligations", as defined in this Security Instrument, shall include, without limitation, any judgment(s) or final decree(s) rendered to collect any money obligations of Borrower to Lender and/or to enforce the performance or collection of all covenants, agreements, other obligations and liabilities of Borrower under this Security Instrument or any or all of the other Obligations to which Borrower is a party; provided, however, such Obligations shall not include any judgment(s) or final decree(s) rendered in another jurisdiction, which judgment(s) or final decree(s) would be unenforceable by a State Court pursuant to Ind. Code § 34-54-3.4. The obtaining of any judgment by Lender (other than a judgment foreclosing this Security Instrument) and any levy of any execution under any such judgment upon the Property shall not affect in any manner or to any extent the lien of this Security Instrument upon the Property or any part thereof, or any liens, powers, rights and remedies of Lender, but such liens, powers, rights and remedies shall continue unimpaired as before until the judgment or levy is satisfied.

13.06 *Rights and Remedies Under Applicable State Law* – Notwithstanding anything in this Security Instrument or the other Loan Documents to the contrary, Lender shall be entitled to all rights and remedies that a Lender would have under Applicable State Law. In the event of any inconsistency between the provisions of this Security Instrument and the provisions of Applicable State Law, the provisions of Applicable State Law shall take precedence over the provisions of this Security Instrument, but shall not invalidate or render unenforceable any other provisions of this Security Instrument that can be construed in a manner consistent with Applicable State Law. Conversely, if any provision of this Security Instrument shall grant to Lender any rights or remedies upon an Event of Default of the Borrower which are more limited than the rights or remedies that would otherwise be vested in this Security Instrument under Applicable Law in the absence of said provision, Lender shall be vested with the rights and remedies granted under Applicable State Law. Notwithstanding any provision in this Security Instrument relating to a power of sale or other provision for sale of the Property upon an Event of Default other than under a judicial proceeding, any sale of the Property pursuant to this Security Instrument will be made through a judicial proceeding, except as otherwise may be permitted under the UCC.

13.07 *Unenforceable Remedies* – To the extent Applicable State Law limits: (i) the availability of the exercise of any of the remedies set forth in this Security Instrument, including without limitation the remedies involving a power of sale on the part of Lender and the right of Lender to exercise self-help in connection with the enforcement of the terms of this Security Instrument, or (ii) the enforcement of waivers and indemnities made by Borrower, such remedies, waivers, or indemnities shall be exercisable or enforceable, any provisions in this Security Instrument to the contrary notwithstanding, if, and to the extent, permitted by the laws in force at the time of the exercise of such remedies or the

NOT AN OFFICIAL DOCUMENT

enforcement of such waivers or indemnities without regard to whether such remedies, waivers or indemnities were enforceable at the time of the execution and delivery of this Security Instrument.

13.08 Future Advances – This Security Instrument is intended to secure future advances made under the Note, hereunder and/or under the other Loan Documents, and all modifications, extensions and renewals of any of the foregoing, with the same priority as if made on the day of execution of this Security Instrument, up to a maximum amount of \$410,000, pursuant to Ind. Code § 32-29-1-10. The maximum amount stated in the preceding sentence does not affect or alter the principal amount that Borrower is entitled to borrow under the Note and/or under any of the Loan Documents, and may be in excess of permitted borrowing to cover expenses, accrued interest, costs of collection and the like. Nothing in this provision requires Lender to make any future advances, and Borrower represents that Lender has not promised to do so.

13.09 Incorporation By Reference – To the extent necessary to interpret this Security Instrument, the provisions of the other Loan Documents are hereby incorporated by reference into this Security Instrument with the same effect as if set forth herein. In the event that any such incorporated provisions of the other Loan Documents are inconsistent with the provisions hereof, the provisions of the other Loan Documents shall govern and control to the extent of the inconsistency; provided, however, the provisions of this Section 13 shall govern and control in all circumstances, anything in this Security Instrument and the other Loan Documents to the contrary notwithstanding. Notwithstanding anything contained in the other Loan Documents to the contrary, the creation, validity, perfection, priority and enforceability of the lien and security interests created by this Security Instrument, all warranties of title contained herein with respect to the Property and all provisions hereof relating to the realization of the security covered hereby with respect to the Property shall be governed by this Security Instrument and Applicable State Law.

13.10 UCC Remedies – Notwithstanding anything in this Security Instrument to the contrary, if an Event of Default shall occur and be continuing, Borrower further agrees, at Lender's request, to assemble the Collateral and make it available to Lender at a place designated by Lender which is reasonably convenient to both Lender and Borrower. Any notice of sale, disposition or other intended action by Lender with respect to the Personal Property sent to Borrower in accordance with the provisions of this Security Instrument at least ten (10) days prior to such action, shall, except as otherwise provided by Applicable State Law, constitute reasonable notice to Borrower.

13.11 Collection Cost Recovery – This Security Instrument shall secure, and Lender shall be entitled to collect from Borrower and add to the obligations incurred by Borrower under the Loan, including, without limitation, in any proceeding to enforce this Security Instrument or foreclose upon the Property, all expenses of any environmental site assessments, environmental audits, environmental remediation costs, appraisals, surveys, engineering studies, wetlands delineations, flood plain studies, and any other similar testing or investigation deemed necessary or advisable by Lender incurred in preparation for, contemplation of or in connection with the enforcement of this Security Instrument and/or the collection of the obligations.

13.12 Non-Waiver – Nothing in this Security Instrument is intended to constitute a waiver of deficiency under Ind. Code §32-29-7-5 nor a consent by the Lender to such a waiver.

13.13 Receiver – Upon the occurrence of any Event of Default, Borrower agrees that Lender shall be entitled to the appointment of a receiver as a matter of right in accordance with Ind. Code § 32-30-5-1(4)(C) in any action by Lender seeking to enforce this Security Instrument, including without limitation, by foreclosure.

13.14 No Joint Venture – Nothing contained in this Security Instrument or any other Loan Document is intended to create a partnership, joint venture or association between Borrower and Lender or in any way make Lender a co-principal with Borrower with reference to the Property, and any inferences to the contrary are hereby expressly negated.

13.22 Environmental Matters
